

of State, located at 2201 C Street NW., Washington, DC. The majority of each meeting is devoted to an exchange of ideas between OBO's senior management and the panel members on acquisitions, design, operations, security, and building maintenance. The meetings are open to the public and are subject to advance registration and provision of required security information. Procedures for registration are included with each meeting announcement, no later than fifteen business days before each meeting.

OBO's mission is to provide safe, secure, and functional facilities for the conduct of U.S. diplomacy and the promotion of U.S. interests worldwide. These facilities represent American values and the best in American architecture, engineering, technology, sustainability, art, culture, and construction execution. ### Federal Aviation Administration

#### Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Notice of Proposed Construction or Alteration, Notice of Actual Construction or Alteration, Project Status Report

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Notice and request for comments.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The FAA uses the information collected on form 7460-1 to determine the effect a proposed construction or alteration would have on air navigation and the National Airspace System (NAS), and the information collected on form 7460-2 to measure the progress of actual construction.
