Petition for Waiver of Compliance

In accordance with part 211 of title 49 of the Code of Federal Regulations (CFR), this document provides the public notice that by a document dated November 22, 2011, Peninsula Terminal Company (PT) has petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal hours of service laws contained at 49 U.S.C. 21103(a)(4). FRA assigned the petition Docket Number FRA-2011-0093.

In their petition, PT seeks relief from 49 U.S.C. 21103(a)(4), which in part requires a train employee to receive 48 hours off duty after initiating an on-duty period for 6 consecutive days. Specifically, PT seeks a waiver to allow a train employee to initiate an on-duty period for 6 consecutive days followed by 24 hours off duty. In support of their request, PT submitted documents demonstrating employee support and a description of employee work schedules.
