

Achievement will be presented at both MBDA Regional and National MED Weeks. The Ronald H. Brown Leadership Award and the Abe Venable Legacy Award for Lifetime Achievement will be presented only at National MED Week.

Nominations for these awards are open to the public. MBDA must collect two types of information: (a) Information identifying the nominee and nominator, and (b) information explaining why the nominee should be given the award. The information will be used to determine those applicants best meeting the preannounced evaluation criterion. Use of a nomination form standardizes and limits the information collected as part of the nomination process. This makes the competition fair and eases the burden on applicants and reviewers. Participation in the MED Week Awards Program competition is voluntary and the awards are strictly honorary.

II. Method of Collection

The form may be submitted electronically or in paper format.
