DEPARTMENT OF THE INTERIOR

National Park Service

General Management Plan and Environmental Impact Statement for Lincoln Home National Historic Site

AGENCY: National Park Service, Interior.

ACTION: Notice of Availability.

SUMMARY: The National Park Service announces the availability of the Abbreviated Final General Management Plan and Environmental Impact Statement for Lincoln Home National Historic Site, Illinois.

DATES: The Abbreviated Final General Management Plan and Environmental Impact Statement (GMP/EIS) will remain available for public review for 30 days following the publishing of the notice of its availability in the "**Federal Register**" by the U.S. Environmental Protection Agency.

ADDRESSES: Send requests for copies to the Superintendent, Lincoln Home National Historic Site, 413 South Eighth Street, Springfield, IL 62701-1905.

You may also view the document via the Internet through the NPS Planning, Environment, and Public Comment (PEPC) Web site (<http://parkplanning.nps.gov>); click on the link to Lincoln Home National Historic Site.

SUPPLEMENTARY INFORMATION: We, the National Park Service, prepared a draft GMP/EIS for the park pursuant to section 102(2)(C) of the National Environmental Policy Act of 1969. The draft was made available for public review for 60 days (June–August 2010) during which time we distributed over 1020 summaries of the draft GMP/EIS. In addition to the distribution, the draft GMP/EIS was also made available at the park, on the Internet, and at area libraries. A total of 39 comments were received; 35 at the public meetings, and 4 in writing. A total of 45 participants attended 4 public meetings. The consensus from the public comment period was that we are pursuing the correct path for the park in Alternative 2, the preferred alternative. Comments from individuals and public agencies did not require us to add other alternatives, significantly alter existing

alternatives, or make changes to the impact analysis of the effects of any alternative. As a result of the lack of substantive comments, we are issuing an abbreviated final GMP/EIS.

FOR FURTHER INFORMATION CONTACT: The Superintendent, Lincoln Home National Historic Site, 413 South Eighth Street, Springfield, IL, 62701-1905, telephone (217) 391-3222.

Dated: November 23, 2011.

Michael T. Reynolds,

Regional Director, Midwest Region.

SUPPLEMENTARY INFORMATION:

Respondents answer a series of questions to the extent necessary for locating relevant information on Federal benefits. Responses are used by the respondent to expedite the identification and retrieval for sought after information and resources pertaining to the benefits sponsored by the Federal government.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under OMB Control Number 1290-0003. The current OMB approval is scheduled to expire on January 31, 2012; however, it should be noted that information collections submitted to the OMB receive a month-to-month extension while they undergo review. For additional information, see the related notice published in the **Federal Register** on October 5, 2011 (76 FR 61739).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within 30 days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should reference OMB Control Number 1290-0003. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
