

$$\text{Fatality Rate} = \frac{\text{Fatalities}}{\text{Fatal Incidents}} = \frac{318}{251} = 1.2669$$

$$\text{Injury Rate} = \frac{\text{Injuries in Injury-Only Incidents}}{\text{Injury-Only Incidents}} = \frac{1009}{661} = 1.5265$$

Applying the fatality rate and injury rate to the probable number of fatalities and casualties predicted to occur at each of the 42,150 identified crossings and the predicted cost of the associated injuries and fatalities, FRA calculates the NSRT to be 13,722.

Issued in Washington, DC, on December 29, 2011.

Robert C. Lauby,

Acting Associate Administrator for Railroad Safety/Chief Safety Officer.

BILLING CODE 4910-06-P

DEPARTMENT OF TRANSPORTATION

Federal Transit Administration

Fiscal Year 2011 Public Transportation on Indian Reservations Program Project Selections

AGENCY: Federal Transit Administration, DOT.

ACTION: Tribal Transit Program announcement of project selections.

SUMMARY: The U.S. Department of Transportation's (DOT) Federal Transit Administration (FTA) announces the selection of projects funded with Section 5311 (c), Public Transportation on Indian Reservations program funds in support of the Tribal Transit Program. Funding was announced in the Tribal Transit Program (TTP) Notice of Funding Availability on July 25, 2011. The TTP makes funds available to federally recognized Indian Tribes or Alaska Native villages, groups, or communities in support of capital projects, operating costs, and planning

activities for public transportation services on and around Indian reservations.

FOR FURTHER INFORMATION CONTACT:

Successful and unsuccessful applicants should contact the appropriate FTA Regional office (Appendix A) for information regarding applying for the funds or program specific information. In the event the contact information provided by your tribe in the application has changed, please contact your tribal liaison with the current information in order to expedite the grant award process. For general program information, contact Lorna R. Wilson, Office of Transit Programs, at (202) 366-0893, email: Lorna.Wilson@dot.gov. A TDD is available at 1-(800) 877-8339 (TDD/FIRS).

SUPPLEMENTARY INFORMATION: A total of \$15.075 million is available for the FY 2011 Tribal Transit program. A total of 116 applicants requested \$41.587 million, indicating significant demand for funds for new transit services, enhancement or expansion of existing transit services, and planning studies including operational planning. Project proposals were evaluated based on each applicant's responsiveness to the program evaluation criteria outlined in FTA's, July 25, 2011 NOFA. FTA also took into consideration the current status of previously funded applicants. A total of 67 applications have been selected for funding. The projects selected as shown in Table 1 will provide funding for transit planning studies/and or operational planning, startup projects for new transit service,

and for the operational expenses of existing transit services.

Project Implementation: Grantees selected for competitive discretionary funding should work with their FTA regional office to finalize the grant application in FTA's Transportation Electronic Awards Management System (TEAM) for the projects identified in Table I so that funds can be obligated expeditiously. FTA funds may only be used for eligible purposes defined under 49 U.S.C 5311 and described in FTA Circular 9040.1F. In cases where the allocation amount is less than the proposer's requested amount, grantees should work with their regional office to reduce scope or scale the project such that a completed phase or project is accomplished. A discretionary project identification number has been assigned to each project for tracking purposes and must be used in the TEAM application. The post-award reporting requirements include submission of the Federal Financial Report (FFR) and Milestone Report in TEAM as appropriate (see FTA Circular 9040.1F).

The grantee must comply with all applicable Federal statutes, regulations, executive orders, FTA circulars, and other Federal requirements in carrying out the project supported by the FTA grant. Funds allocated in this announcement must be obligated in a grant by September 30, 2014.

Issued in Washington, DC, this 29th day of December, 2011.

Peter M. Rogoff,
Administrator.

Surface Transportation Board

Release of Waybill Data

The Surface Transportation Board has received a request from Neville Peterson LLP on behalf of Trinity Industries, Inc. (WB605-8-12/20/11) for permission to use certain data from the Board's 2009 Carload Waybill Sample. A copy of this request may be obtained from the Office of Economics.

The waybill sample contains confidential railroad and shipper data; therefore, if any parties object to these requests, they should file their objections with the Director of the Board's Office of Economics within 14 calendar days of the date of this notice. The rules for release of waybill data are codified at 49 CFR 1244.9.

Contact: Scott Decker, (202) 245-0330.

BILLING CODE 4915-01-P

DEPARTMENT OF THE TREASURY

Bureau of Engraving and Printing

Privacy Act of 1974; Amended System of Records

AGENCY: Bureau of Engraving and Printing, Treasury.

ACTION: Notice of proposed alteration to a system of records.

SUMMARY: In accordance with the Privacy Act of 1974, as amended, the

United States Department of the Treasury, Bureau of Engraving and Printing (BEP) gives notice of alterations to its Privacy Act system of records entitled "Treasury/BEP .027—Access Control and Alarm Monitoring Systems (ACAMS)."

DATES: Comments must be received no later than February 6, 2012. The proposed alterations to the system of records will become February 9, 2012 unless the BEP receives comments that would result in a contrary determination.

ADDRESSES: Comments should be sent to Office of the Chief Counsel, United States Department of the Treasury, Bureau of Engraving and Printing, 14th and C Streets SW., Washington, DC 20228, Room 419-A, Attention: Revisions to PA Systems of Records. Comments can be faxed to (202) 874-5710, or emailed to Keir.Bancroft@bep.gov. For emails, please place "Revisions to SOR" in the subject line. Comments will be made available for public inspection upon written request. The BEP will make such comments available for public inspection and copying at the above-listed location, on official business days between the hours of 9 a.m. and 5 p.m. Eastern time. Persons wishing to inspect the comments submitted must request an appointment by telephoning (202) 874-5915. All comments received, including attachments and other supporting materials, are part of the public record and subject to public disclosure. You should submit only information that you wish to make available publicly.

FOR FURTHER INFORMATION CONTACT: Keir X. Bancroft, Privacy Officer, United States Department of the Treasury, Bureau of Engraving and Printing, 14th and C Streets SW., Washington, DC

20228, by phone at (202) 874-5915, or by email at Keir.Bancroft@bep.gov.

SUPPLEMENTARY INFORMATION: On June 29, 2009, the Bureau of Engraving and Printing, a bureau within the United States Department of the Treasury, published its inventory of Privacy Act systems of records at 74 FR 31090.

Included within that inventory was a system of records entitled "Treasury/BEP .027—Access Control and Alarm Monitoring Systems (ACAMS)." BEP proposes to amend that system of records by adding language under the "categories of records in the system" and "retention and disposal" sections.

Under the existing system of records, the following information is maintained concerning individuals issued "Escort Visitor" badges (including official visitors and contractors who are allowed to move within a BEP facility only with an escort): full name; date of issue; and date, time, and location of each passage through a security control point.

BEP is incorporating scanning technology in its facilities to allow for a visitor's identification (e.g., driver's license or passport) to be scanned, and for the information contained on that piece of identification to be used in generating an Escort Visitor badge. This will speed the process by which a visitor's information is entered into an Escort Visitor badge. It will also allow BEP to maintain a photograph of a visitor that is issued an Escort Visitor badge. This amendment will help BEP make full use of its scanning technology in processing Escort Visitor badges and further ensure the security of BEP facilities by capturing photographs.

BEP is amending the "categories of records in the system" by including in the information maintained for visitors issued Escort Visitor badges all data contained on their personal identification, such as photograph, date
