Assessment

The Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1), where entered values were reported, we calculated importer-specific *ad valorem* assessment rates for the merchandise based on the ratio of the total amount of antidumping duties calculated for the examined sales made during the POR to the total customs value of the sales used to calculate those duties. Where entered values were not reported, we calculated importer- or customer- (where the importer was unknown) specific per-unit assessment rates for the merchandise based on the ratio of the total amount of antidumping duties calculated for the examined sales made during the POR to the total quantity of

the sales used to calculate those duties. These rates will be assessed uniformly on all of CIPSA's and TransHoney's entries made during the POR. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of this review.

The Department clarified its "automatic assessment" regulation on May 6, 2003. See *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003). This clarification will apply to entries of subject merchandise during the POR produced by companies included in these final results of review for which the reviewed companies did not know their merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

Cash Deposit Requirements

To calculate the cash deposit rates for TransHoney and CIPSA, we divided their total dumping margins by the total net value of each of their sales during the review period. For the companies which were not selected for individual review, we have calculated a cash deposit rate based on the simple average of the rates determined for TransHoney and CIPSA for the period December 1, 2009, through November 31, 2010.

The following cash deposit requirements will be effective upon completion of the final results of this administrative review for all shipments of honey from Argentina entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Act: (1) The cash deposit rate for each specific company listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for any previously-reviewed or investigated company not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review

conducted by the Department, the cash deposit rate will be the all-others rate from the investigation (30.24 percent). See *Notice of Antidumping Duty Order; Honey From Argentina*, 66 FR at 63673. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: January 3, 2012.

Christian Marsh,

Acting Assistant Secretary for Import Administration.

Carbazole Violet Pigment 23 From the People's Republic of China: Final Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On September 6, 2011, the Department of Commerce (the Department) published the preliminary intent to rescind the administrative review of the antidumping duty order on carbazole violet pigment 23 (CVP-23) from the People's Republic of China (PRC).¹ This administrative review covers Toyo Ink Mfg. America, LLC and Toyo Ink Mfg. Co., Ltd. (collectively, Toyo) for the December 1, 2009, through November 30, 2010, period of review (POR). Toyo provided a certification of no sales. As the Department's review of U.S. Customs and Border Protection (CBP) import data confirmed that there

were no reviewable entries of the subject merchandise during the POR, we preliminarily determined that Toyo did not have reviewable entries during the POR. Therefore, because there were no entries on which to assess duties, the Department preliminarily determined to rescind this review and gave interested parties an opportunity to comment. We did not receive comments on the *Preliminary Results*. We are therefore rescinding the administrative review of the antidumping duty order on CVP-23 from the PRC.

DATES: *Effective Date:* January 10, 2012.

FOR FURTHER INFORMATION CONTACT: Mark Flessner or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6312 or (202) 482-0469, respectively.

SUPPLEMENTARY INFORMATION:

Background

As noted above, on September 6, 2011, the Department published in the *Federal Register* the *Preliminary Results* of the administrative review of the antidumping duty order on CVP-23 from the PRC. The Department did not receive comments from interested parties on our *Preliminary Results*.

Scope of the Order

The merchandise covered by this order is carbazole violet pigment 23 identified as Color Index No. 51319 and Chemical Abstract No. 6358-30-1, with the chemical name of diindolo [3,2-b:3',2'-m] triphenodioxazine, 8,18-dichloro-5, 15-diethyl-5,15-dihydro-, and molecular formula of C₃₄H₂₂C₁₂N₄O₂.² The subject merchandise includes the crude pigment in any form (e.g., dry powder, paste, wet cake) and finished pigment in the form of presscake and dry color. Pigment dispersions in any form (e.g., pigments dispersed in oleoresins, flammable solvents, water) are not included within the scope of this order. The merchandise subject to this order is classifiable under subheading 3204.17.9040 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

² The brackets do not indicate "business proprietary information" but rather are part of the chemical formula.

Rescission of the Review

Based on its analysis of the record information, the Department preliminarily determined that the merchandise in the CBP data and the entry documentation on the record was not subject to the scope of the antidumping duty order on CVP-23 from the PRC. Accordingly, in the *Preliminary Results*, the Department indicated that it intended to rescind this administrative review because there was no information on the record which indicated that Toyo made sales, shipments, or entries to the United States of subject merchandise during the POR. We did not receive comments concerning the *Preliminary Results*. Therefore, the Department continues to find that the merchandise reflected in the CBP data and entry documentation on the record is not subject to the scope of the antidumping duty order on CVP-23 from the PRC. Furthermore, because Toyo is the only company subject to this administrative review, in accordance with 19 CFR 351.213(d)(3), and consistent with our practice,³ we are rescinding this review of the antidumping duty order on CVP-23 from the PRC for the December 1, 2009, through November 30, 2010 POR. The Department intends to instruct CBP fifteen days after the publication of this notice to liquidate such entries with respect to the PRC-wide entity.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification

of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i) of the Tariff Act of 1930, as amended and 19 CFR 351.213(d)(4).

Dated: January 3, 2012.
