

the two groups. The video simulation will be approximately four-hour long total. All students will take a pre-test quiz when they fill out the demographics form. Once the treatment is completed, all students will be asked to take a post-test quiz and answer a post-viewing questionnaire to capture

their perceptions of the video simulation.

To answer the second question, the study will collect qualitative data from semi-structured interviews as well as focus groups. The semi-structured interviews will be conducted twice with faculty who teach the courses in the first

part of the study, in person or on the phone, before and after he/she uses the video simulation. Participants for the focus groups will be selected from the students who participate in the first part of the study. The focus group will last one hour.

Additional information may be obtained at <http://www.bioethics.gov>.

SUPPLEMENTARY INFORMATION: Pursuant to the Federal Advisory Committee Act

of 1972, Public Law 92-463, 5 U.S.C. app. 2, notice is hereby given of the eighth meeting of the Presidential Commission for the Study of Bioethical Issues (the Commission). The meeting will be held from 9 a.m. to approximately 5:15 p.m. on Thursday, February 2, 2012, and from 9 a.m. to approximately 12 p.m. on Friday, February 3, 2012, in San Francisco, California. The meeting will be open to the public with attendance limited to space available. The meeting will also be webcast at <http://www.bioethics.gov>. Under authority of Executive Order 13521, dated November 24, 2009, the President established the Commission. The Commission is an advisory panel of the nation's leaders in medicine, science, ethics, religion, law, and engineering. The Commission advises the President on bioethical issues arising from advances in biomedicine and related areas of science and technology. The Commission seeks to identify and promote policies and practices that ensure scientific research, health care delivery, and technological innovation are conducted in a socially and ethically responsible manner. The main agenda item for the Commission's eighth meeting is to discuss issues of privacy and access related to human genome sequence data. The Commission will also be discussing neuroscience and related ethical issues. The draft meeting agenda and other information about PCSBI, including information about access to the webcast, will be available at <http://www.bioethics.gov>. The Commission welcomes input from anyone wishing to provide public comment on any issue before it. Respectful debate of opposing views and active participation by citizens in public exchange of ideas can enhance decisions that are reached and the overall public understanding of them. The Commission is particularly interested in receiving comments and

questions during the meeting that are responsive to specific sessions. Written comments will be accepted at the registration desk and comment forms will be provided for members of the public to write down questions and comments for the Commission as they arise. To accommodate as many individuals as possible, the time for each question or comment may be limited. If the number of individuals wishing to pose a question or make a comment is greater than can reasonably be accommodated during the scheduled meeting, the Commission may make a random selection. Anyone planning to attend the meeting who needs special assistance, such as sign language interpretation or other reasonable accommodations, should notify Esther Yoo by telephone at (202) 233-3960, or email at Esther.Yoo@bioethics.gov in advance of the meeting. The Commission will make every effort to accommodate persons who need special assistance. Written comments will also be accepted in advance of the meeting and are especially welcome. Please address written comments by email to info@bioethics.gov, or by mail to the following address: Public Commentary, Presidential Commission for the Study of Bioethical Issues, 1425 New York Ave. NW., Suite C-100, Washington, DC 20005. Comments will be publicly available, including any personally identifiable or confidential business information that they contain. Trade secrets should not be submitted.

Dated: January 6, 2012.

Valerie H. Bonham,

Executive Director, Presidential Commission for the Study of Bioethical Issues.
