

Part VI of the proposed order requires Upromise to obtain within the first one hundred eighty (180) days after service of the order, and on a biennial basis thereafter for a period of twenty (20) years, an assessment and report from a qualified, objective, independent third-party professional, certifying, among other things, that: (1) It has in place a security program that provides protections that meet or exceed the protections required by the proposed order; and (2) its security program is operating with sufficient effectiveness to provide reasonable assurance that the security, confidentiality, and integrity of sensitive consumer, employee, and job applicant information has been protected.

Parts VII, VIII, IX, X, XI, and XII of the proposed order are reporting and compliance provisions. Part VII requires Upromise to retain documents relating to its compliance with the order. For most records, the order requires that the documents be retained for a five-year period. For the third-party assessments and supporting documents, Upromise must retain the documents for a period of three years after the date that each assessment is prepared. Part VIII requires the company to cooperate with the FTC in connection with this action or any subsequent investigations related to or associated with the transactions or the occurrences that are the subject of the FTC complaint. Part IX requires dissemination of the order now and in the future to persons with responsibilities relating to the subject matter of the order. Part X ensures notification to the FTC of changes in corporate status. Part XI mandates that Upromise submit a compliance report to the FTC within 60 days, and periodically thereafter as requested. Part XII provides that the order will terminate after twenty (20) years, with certain exceptions.

The purpose of this analysis is to facilitate public comment on the proposed order. It is not intended to constitute an official interpretation of the proposed order or to modify its terms in any way.

By direction of the Commission.

Richard C. Donohue,

Acting Secretary.

ACTION: Notice.

SUMMARY: The Office of the National Coordinator for Health Information Technology (ONC), part of the Department of Health and Human Services (HHS), is announcing the launch of the *Healthy New Year Challenge*. This challenge is an open call for people nationwide to create and submit short videos that capture New Year's resolutions geared towards improving their health or the health of a loved one through the use of technology. The *Healthy New Year Challenge* is the first in a series of video contests for the public to share their personal stories about how they use health information technology (health IT) or consumer e-health tools to impact their health or the health of a loved one. The goal of this video contest series is to generate winning videos that will be used to motivate and inspire others and their loved ones to use health information technology to be more engaged partners in improving health and health care. Each challenge will be a call to action for members of the public to create a short video clip [2 minutes or less] on a particular theme, and will award cash prizes to winners in several categories.

DATES: Important date(s) for this challenge are:

Submission Period: today–February 16, 2012.

Public Voting: today–March 8, 2012.

Judging: February 23–March 8, 2012.

Winners Announced: Mid-March 2012.

FOR FURTHER INFORMATION CONTACT: Erin Poetter, Consumer e-Health Policy Analyst, ONC, HHS, erin.poetter@hhs.gov or (202) 205-3310.

SUPPLEMENTARY INFORMATION:

Subject of Challenge Competition: Entrants are asked to create a short, compelling video (up to 2 minutes in length) sharing one New Year's resolution for improving your health or the health of a loved one, and how you will use technology to achieve your resolution. Videos should be creative, inspiring and instructive—share a new

years resolution that others can relate to, and demonstrate how technology will make it easier to achieve.

Your resolution can be anything health related, such as quitting smoking or drinking, eating healthier, losing weight, reducing stress, or managing a chronic condition.

Videos must show how you will use information technology to achieve your resolution. Example entries could include the following kinds of resolutions (these are just examples—Entrants are encouraged to be creative and craft their own resolution):

- I will set up an online personal health record for myself (or another family member) so I can have all of my health information conveniently stored in one place.
- I will ask my doctor for a copy of my own health records—electronically if available—and help him or her to identify any important information that may be missing or need to be corrected.
- I will find an online community that helps me figure out the best ways to manage my health condition (depression, cancer, diabetes, etc.).
- I will use a wireless pedometer to help me track my physical activity and will try to take 10,000 steps per day.
- I will find an app on my Smartphone to help me track my food intake so I can lose 10 pounds by my high school reunion.
- I will sign up for a text reminder program on my cell phone to help me stop smoking or remind me to take my medications on time.

Eligibility Rules for Participating in the Competition:

An individual or team shall not be deemed ineligible because the individual or team used Federal facilities or consulted with Federal employees during a competition if the facilities and employees are made available to all individuals and teams participating in the competition on an equitable basis.

An individual may join more than one team.

Employees of ONC, the judges, and ChallengePost, Inc. (collectively the “Promotion Entities”) or any of the Promotion Entities’ respective affiliates, subsidiaries, advertising agencies, or any other company or individual involved with the design, production, execution, or distribution of the Challenge and their immediate family (spouse, parents and step-parents, siblings and step-siblings, and children and step-children), and household members (people who share the same residence at least three (3) months out of the year) of each Promotion Entity employee are not eligible.

The Challenge is subject to all applicable federal laws and regulations. Participation constitutes Contestant’s full and unconditional agreement to these Official Rules and Sponsor’s and Administrator’s decisions, which are final and binding in all matters related to the Challenge.

Registration Process for Participants:

During the Challenge Submission Period, visit HealthyNewYear.Challenge.gov and register. Registration is free. After a Contestant registers, he or she must verify their email address via the registration email sent to the email entered in the registration form.
