SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The Department of Defense Education Activity (DoDEA) Sure Start Parent Questionnaire will be administered to all parents/sponsors of students enrolled in DoDEA Sure Start programs. Sure Start is the equivalent of pre-kindergarten but targets preschoolers

who are "at risk" for later school failure because of economic circumstance or other health and/or family factors. In addition to offering a high-quality educational program that reflects best practices in the field, Sure Start also provides health and nutrition, social, and parent involvement services. Close collaboration between families, schools, and the installation community is viewed as essential and a required part of the program, to include parental feedback on the program. Participation in the survey is completely voluntary and will be administered via paper/hard copy format. All data are collected and analyzed at the school level only. The questionnaire will give parents/sponsors an opportunity to indicate their overall level of satisfaction with DoDEA Sure Start programs. The questionnaire will be administered biannually; typically in the middle of the school year and at the school year's end.

The information derived from these surveys will be used to improve service and planning efforts at school level. This information is one of many measures used for future planning of programs and services offered to DoDEA's students.
