Control Number: "Department of Defense Education Activity (DoDEA) Non-Sponsored Research Program," DoDEA Form 2071.3-F1, OMB CONTROL NUMBER 0704-0457.

Needs and Uses: The Department of Defense Education Activity (DoDEA) is a DoD field activity operating under the direction, authority, and control of the Deputy Under Secretary of Defense, Military Community and Family Policy. The DoDEA operates 196 schools in 14 districts located in 12 foreign countries, seven states, Guam, and Puerto Rico.

The DoDEA receives requests from researchers to conduct non-DoDEA sponsored research studies in DoDEA schools, districts, and/or areas. To review the proposed research requests, DoDEA is seeking renewal for the DoDEA Administrative Instruction 2071.3 (DoDEA AI 2071.3) that includes DoDEA Form 2071.3-F1, "Research Study Request." The DoDEA "Research Study Request" collects information about the researcher, the research project, audience, timeline, and the statistical analyses that will be conducted during the proposed research study.

This information is needed to ensure that the proposed non-DoDEA sponsored research does not unduly interfere with the classroom instructional process or the regular operations of the school, district, and/or areas.

Annual Burden Hours: 30 hours.

Number of Respondents: 30.

Responses per Respondent: 1.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The DoDEA Administrative Instruction 2071.3 (DoDEA AI 2071.3) follows the DoD Directive 3216.2, "Protection of Human Subjects and Adherence to Ethical Standards in DoD-Supported Research," March 25, 2002, which states that "The rights and welfare of human subjects in research supported or conducted by the DoD Components shall be protected. This protection encompasses basic respect for persons, beneficence, and justice in the selection of subjects." To ensure that all non-DoDEA sponsored research conducted in the DoDEA school system protects the dignity, well-being, and confidentiality of any individual(s)

involved in the research, including the rights guaranteed legally and constitutionally and by DoDEA policies, DoDEA created the DoDEA Form 2071.3-F1, "Research Study Request" that collects data that are used to review the proposed research study.

The "Research Study Request" is required from individuals or organizations who wish to propose data collection activities and/or research studies not sponsored by DoDEA, that involve DoDEA school personnel, school facilities, sponsors, students, and/or data. This documentation is required to show that the research does not unduly interfere with the classroom instructional process or the regular operations of the school, district, and/or areas. Information collected on the DoDEA Form 2071.3-F1 "Research Study Request" includes the researcher's name, address, telephone number, email address, FAX number (if available), school affiliation (if applicable), the study title, an abstract of the proposed study, an explanation on how the research study (1) is aligned with the DoDEA Community Strategic Plan, and (2) the impact of the study in the researcher's field of study, the major hypothesis(es) or question(s) to be tested, the population and/or sample to be studied, a description and copy of instruments, other data collection activities, the timetable for the study, and the statistical or other analysis techniques to be used during the study.

Title and OMB Control Number: "Department of Defense Education Activity (DoDEA) Sure Start Parent Questionnaire," OMB CONTROL NUMBER 0704-0456.

Needs and Uses: The Sure Start Parent Questionnaire is an instrument to measure the overall satisfaction level of parents of students enrolled in DoDEA Sure Start programs. This collection is necessary to meet the Government Performance and Results Act of 1993, Public Law 103-62; 107 Stat. 285, that requires agencies to have strategic plans and to consult with affected persons. A major purpose of the regulation is to improve Federal program effectiveness and public accountability by promoting a new focus on results, service quality, and customer satisfaction. The parent survey is also a required component of the annual evaluation of the Sure Start program as required by DoDEA.

Affected Public: Individuals or households.

Annual Burden Hours: 366.

Number of Respondents: 1100.

Responses per Respondent: 2.

Average Burden per Response: 10 minutes.

Frequency: Biannually.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The Department of Defense Education Activity (DoDEA) Sure Start Parent Questionnaire will be administered to all parents/sponsors of students enrolled in DoDEA Sure Start programs. Sure Start is the equivalent of pre-kindergarten but targets preschoolers

who are "at risk" for later school failure because of economic circumstance or other health and/or family factors. In addition to offering a high-quality educational program that reflects best practices in the field, Sure Start also provides health and nutrition, social, and parent involvement services. Close collaboration between families, schools, and the installation community is viewed as essential and a required part of the program, to include parental feedback on the program. Participation in the survey is completely voluntary and will be administered via paper/hard copy format. All data are collected and analyzed at the school level only. The questionnaire will give parents/sponsors an opportunity to indicate their overall level of satisfaction with DoDEA Sure Start programs. The questionnaire will be administered biannually; typically in the middle of the school year and at the school year's end.

The information derived from these surveys will be used to improve service and planning efforts at school level. This information is one of many measures used for future planning of programs and services offered to DoDEA's students.
