Summary of Information Collection

The Department of Defense Education Activity (DoDEA) School Perception Survey for Sponsors and Students will be administered to all parents/sponsors of students attending a DoDEA school, as well as students in grades 3–12. Participation in the survey is completely voluntary and will be administered through an online, web-based technology. In order to have comparison between DoDEA parents and parents of students in other public school systems, some survey questions are derived from the Phi Delta Kappa/Gallup Poll of the Public’s Attitudes Toward Schools and from other large districts. The questions will provide sponsors and students to comment on their overall perceptions of the DoDEA educational system as well as address DoDEA specific goals and initiatives as indicated in the Community Strategic Plan. The surveys will be administered biennially.

The survey results will be used at all levels of the organization to improve programs and services offered to DoDEA’s students. The survey results will also be used as an outcome measure to monitor progress on the goals of the new DoDEA Community Strategic Plan.
