SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Fees and Rebates for Adding and Removing Liquidity

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”) 1 and Rule 19b–4 thereunder,2 notice is hereby given that, on January 5, 2012, the International Securities Exchange, LLC (the “Exchange” or the “ISE”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The ISE is proposing to amend its transaction fees and rebates for adding and removing liquidity. The text of the proposed rule change is available on the Exchange’s Web site (http://www.ise.com), at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange currently assesses per contract transaction fees and rebates to market participants that add or remove liquidity from the Exchange (“maker/taker fees”) in a number of options classes (the “Select Symbols”). The purpose of this proposed rule change is to amend the list of Select Symbols on the Exchange’s Schedule of Fees, titled “Rebates and Fees for Adding and Removing Liquidity in Select Symbols and Complex Order Maker/Taker fees for symbols that are in the Penny Pilot Program” in order to attract additional order flow to the Exchange. The Exchange is proposing to delete AMR Corporation (“AMR”) from the list of Select Symbols. With this proposed rule change, AMR will no longer be subject to the Exchange’s maker/taker fees.

The Exchange also proposes to make a non-substantive, clarifying change to page 21 of the Schedule of Fees, titled “Rebates and Fees for Adding and Removing Liquidity for complex orders in NDX and RUT.” The Exchange recently adopted fees and rebates for complex orders in NDX and RUT and now proposes to clarify that the $0.50 per contract rebate payable to Priority Customer complex orders when these orders trade with non-customer orders in the Complex Order Book is applicable only to complex orders in NDX and RUT is equitable and reasonable because it clarifies the applicability of the rebate.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act. At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Related to the Extension of a CBSX Clearly Erroneous Policy Pilot Program

January 17, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),1 and Rule 19b–4 thereunder,2 notice is hereby given that on January 4, 2012, Chicago Board Options Exchange, Incorporated (“Exchange” or “CBOE”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend a clearly erroneous policy pilot program pertaining to the CBOE Stock Exchange, LLC (“CBSX”, the CBOE’s stock trading facility). This rule change simply seeks to extend the pilot. No other changes to the pilot are being proposed. The text of the proposed rule change is available on the Exchange’s Web site (www.cboe.org/Legal), at the Exchange’s Office of the Secretary and at the Commission.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

Certain amendments to Rule 52.4, Clearly Erroneous Policy, were approved by the Commission on September 10, 2010 on a pilot basis. The pilot is currently set to expire on January 31, 2012.3 The clearly erroneous policy changes were developed in consultation with other markets and the Commission staff to provide for uniform treatment: (i) Of clearly erroneous execution reviews in Multi-Stock Events involving twenty or more securities; and (ii) in the event transactions occur that result in the issuance of an individual stock trading pause by the primary market and subsequent transactions that occur before the trading pause is in effect on the Exchange. Additional changes were also made to Rule 52.4 that reduce the ability of the Exchange to deviate from the objective standards set forth in the Rule. As the duration of the pilot expires on January 31, 2012, the Exchange is proposing to extend the effectiveness of the clearly erroneous policy changes to Rule 52.4 through July 31, 2012.

2. Statutory Basis

Extension of the pilot period will allow the Exchange to continue to operate the pilot on an uninterrupted basis. Accordingly, the Exchange believes the proposed rule change is consistent with the Act4 and the rules and regulations thereunder. Additional changes were also made to Rule 52.4 that reduce the ability of the Exchange to deviate from the objective standards set forth in the Rule. As the duration of the pilot expires on January 31, 2012, the Exchange is proposing to extend the effectiveness of the clearly erroneous policy changes to Rule 52.4 through July 31, 2012.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act5 and Rule 19b–4(f)(6) thereunder.6 Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act5 and Rule 19b–4(f)(6)(iii) thereunder.7 A proposed rule change filed under Rule 19b–4(f)(6)8 normally does not become operative for 30 days after the date of filing. However, pursuant to Rule 19b–4(f)(6)(iii)9 the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that
