Utility Scale Wind Towers From the People's Republic of China and the Socialist Republic of Vietnam: Initiation of Antidumping Duty Investigations

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* January 24, 2012.

FOR FURTHER INFORMATION CONTACT: Karine Gziryan or Erin Kearney at (202) 482-4081 or (202) 482-0167, respectively (the People's Republic of China (the "PRC")), AD/CVD Operations, Office 4; or Brandon Farlander or Trisha Tran at (202) 482-0182 or (202) 482-4852, respectively (the Socialist Republic of Vietnam ("Vietnam")), AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

The Petitions

On December 29, 2011, the Department of Commerce (the "Department") received petitions concerning imports of utility scale wind towers ("wind towers") from the PRC and Vietnam filed in proper form on behalf of the Wind Tower Trade Coalition ("Petitioner"). See Petitions

for the Imposition of Antidumping and Countervailing Duties on Utility Scale Wind Towers from the People's Republic of China and Antidumping Duties on Utility Scale Wind Towers from Vietnam filed on December 29, 2011 (the "Petitions"). On January 5 and 6, 2012, the Department requested additional information and clarification of certain areas of the Petitions. Petitioner filed responses to these requests on January 11, 2012, (hereinafter, "First Supplement to the PRC Petition," "First Supplement to the Vietnam Petition," and "First Supplement to the AD/CVD Petitions," respectively). The Department requested additional clarifications from Petitioner on January 12, 2012. See Memorandum to the File from Meredith Rutherford, titled "Phone Call to Counsel for the Petitioner," dated January 12, 2012. Petitioner provided these additional clarifications on January 12, 2012, (hereinafter, "Second Supplement to the PRC Petition" and "Second Supplement to the Vietnam Petition," respectively). Further, the Department requested additional information and clarifications to the scope and the Petitions on January 13, 2012. Petitioner filed responses to these requests on January 17, 2012, (hereinafter, "Second Supplement to the AD/CVD Petitions," "Third Supplement to the PRC Petition," and "Third Supplement to the Vietnam Petition," respectively). The Department requested additional clarifications concerning the surrogate value for one material input from Petitioner on January 17, 2012. See Memorandum to the File from Karine Gziryan, titled "Phone Call to Counsel for the Petitioner," dated January 17, 2012. Petitioner provided these additional clarifications on January 18, 2012, (hereinafter, "Fourth Supplement to the PRC Petition").

In accordance with section 732(b) of the Tariff Act of 1930, as amended (the "Act"), Petitioner alleges that imports of wind towers from the PRC and Vietnam are being, or are likely to be, sold in the United States at less than fair value, within the meaning of section 731 of the Act, and that such imports are materially injuring, or threatening material injury to, an industry in the United States. Also, consistent with section 732(b)(1) of the Act, the Petitions are accompanied by information reasonably available to Petitioner supporting its allegations.

The Department finds that Petitioner filed the Petitions on behalf of the domestic industry because Petitioner is an interested party as defined in section 771(9)(C) and (E) of the Act and has demonstrated sufficient industry
