Call for Nominations for Resource Advisory Councils

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The purpose of this notice is to request public nominations for the Bureau of Land Management (BLM) Resource Advisory Councils (RAC) that have member terms expiring this year. The RACs provide advice and recommendations to the BLM on land use planning and management of the National System of Public Lands within their geographic areas. The BLM will accept public nominations for 45 days after the publication of this notice.

DATES: All nominations must be received no later than March 12, 2012.

ADDRESSES: See **SUPPLEMENTARY INFORMATION** for the address of BLM State Offices accepting nominations.

FOR FURTHER INFORMATION CONTACT: Allison Sandoval, U.S. Department of the Interior, Bureau of Land Management, Correspondence, International, and Advisory Committee Office, 1849 C Street NW., MS-MIB 5070, Washington, DC 20240; (202) 208-4294.

SUPPLEMENTARY INFORMATION: The Federal Land Policy and Management Act (FLPMA) (43 U.S.C. 1739) directs the Secretary of the Interior to involve the public in planning and issues related to management of lands administered by the BLM. Section 309 of FLPMA directs the Secretary to establish 10- to 15-member citizen-based advisory councils that are consistent with the Federal Advisory Committee Act (FACA). As required by FACA, RAC membership must be balanced and representative of the various interests concerned with the management of the public lands. The rules governing RACs are found at 43 CFR subpart 1784 and include the following three membership categories:

Category One—Holders of Federal grazing permits and representatives of organizations associated with energy and mineral development, timber industry, transportation or rights-of-way, developed outdoor recreation, off-highway vehicle use, and commercial recreation;

Category Two—Representatives of nationally or regionally recognized environmental organizations, archaeological and historic organizations, dispersed recreation activities, and wild horse and burro organizations; and

Category Three—Representatives of state, county, or local elected office, employees of a state agency responsible for management of natural resources, representatives of Indian tribes within or adjacent to the area for which the council is organized, representatives of academia who are employed in natural sciences, and the public-at-large.

Individuals may nominate themselves or others. Nominees must be residents of the state in which the RAC has jurisdiction. The BLM will evaluate nominees based on their education, training, experience, and knowledge of the geographical area of the RAC. Nominees should demonstrate a commitment to collaborative resource decision-making. The Obama Administration prohibits individuals who are currently federally registered lobbyists from being appointed or re-appointed to FACA and non-FACA boards, committees, or councils.

The following must accompany all nominations:

- Letters of reference from represented interests or organizations;
- A completed background information nomination form; and
- Any other information that addresses the nominee's qualifications.

Simultaneous with this notice, BLM state offices will issue press releases

SUPPLEMENTARY INFORMATION: This coal lease sale is being held in response to a lease by application (LBA) filed by BTU Western Resources, Inc., Gillette, Wyoming. The coal resource to be offered consists of all reserves recoverable by surface mining methods in the following-described lands located approximately 1 to 4 miles north of the Campbell/Converse county line, adjacent and up to 2 miles east of the main line railroad, and adjacent to the western and northern lease boundary of the North Antelope Rochelle Mine.

T. 41 N., R. 70 W., 6th Principal Meridian
 Sec. 7, lots 7 through 10 inclusive and lots 15 through 18 inclusive;

 T. 41 N., R. 71 W., 6th Principal Meridian
 Sec. 1, lots 5 through 20 inclusive;
 Sec. 12, lots 1 through 16 inclusive;
 Sec. 13, lots 1 through 16 inclusive;
 Sec. 14, lots 1, 2, 8, 9, 16, and 18;
 Sec. 23, lots 1 and 17; and
 Sec. 24, lots 2 through 4 inclusive and lots 17, 19, and 21.

Containing 3,243.03 acres, more or less, in Campbell County, Wyoming.

The LBA tract is adjacent to Federal leases to the east and south as well as a State of Wyoming lease to the north, all controlled by the North Antelope Rochelle Mine. It is also adjacent to Federal leases to the west across the mainline railroad, which is part of Cloud Peak Energy Resources, LLC's Antelope Mine. It is adjacent to additional unleased Federal coal to the west.

Most of the acreage offered has been determined to be suitable for mining except for the mainline railroad right-of-way along the western boundary of the LBA. Features such as roads, utilities, and pipelines can be moved to permit coal recovery. In addition, a producing gas well is located on the LBA as well as several coal bed natural gas wells. The estimate of the bonus value of the coal lease will include consideration of the future production from these wells. An economic analysis of this future income stream will consider reasonable compensation to the gas lessee for lost production of the natural gas when the wells are bought out by the coal lessee. Approximately half of the surface estate of the tract is within the Thunder Basin National Grasslands and managed by the U.S. Forest Service. Most of the
