DEPARTMENT OF TRANSPORTATION

Office of the Secretary of Transportation

Agency Requests for Renewal of a Previously Approved Information Collection: SBTRC Regional Field Offices Intake Form (DOT F 4500) and SBTRC Regional Field Offices Quarterly Report Form (DOT F 4502)

AGENCY: Office of Small and Disadvantaged Business Utilization (OSDBU), Office of the Secretary of Transportation (OST), DOT.

ACTION: Notice of request for extension of currently approved information collection.

SUMMARY: The OSDBU invites public comments about our intention to request the Office of Management and Budget's (OMB) approval to renew an information collection. The collection involves the following two (2) forms that have an expiration date of 01/31/2012, and are presently in use. The SBTRC forms have added the term of Regional Field Offices Intake Form and Regional Field Offices Quarterly Report Form, respectively.

The Regional Field Offices Intake Form (No. DOT F 4500) is used to document the type of assistance provided to each small business that is enrolled in the database of the Program. The use of the Regional Field Office Quarterly Report Form (No. DOT F 4502) highlights activities such as counseling, marketing, meetings/conferences, and services to businesses as completed during the quarter. The Quarterly Report Form provides a more composite and comprehensive review of the Field Offices’ activities over a longer time frame. The information will be used to ascertain whether the program is providing services to its constituency, the small business community, and is done so in a fair and equitable manner.

The information collected is necessary to determine whether small businesses are participating in DOT funded and DOT assisted opportunities with the DOT.

We are required to publish this notice in the Federal Register by the Paperwork Reduction Act of 1995, Public Law 104–13.
