ENVIRONMENTAL PROTECTION AGENCY

[FRL-9624-7]

Proposed Reissuance of the NPDES General Permits for Oil and Gas Exploration Facilities on the Outer Continental Shelf and Contiguous State Waters in the Beaufort Sea and on the Outer Continental Shelf in the Chukchi Sea

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed reissuance of general permits.

SUMMARY: EPA Region 10 proposes to reissue the National Pollutant Discharge Elimination System (NPDES) General Permits for Oil and Gas Exploration Facilities on the Outer Continental Shelf and Contiguous State Waters in the Beaufort Sea (Permit No. AKG-28-2100) and on the Outer Continental Shelf in the Chukchi Sea (Permit No. AKG-28-8100). As proposed, the Beaufort and Chukchi general permits would authorize thirteen types of discharges from facilities engaged in field exploration and drilling activities under the Offshore Subcategory of the Oil and Gas Extraction Point Source Category (40 CFR Part 425, Subpart A), as authorized by Section 402 of the Clean Water Act (CWA or "the Act"), 33 U.S.C. 1342. *State Certification of Beaufort General Permit:* Section 401 of the Act, 33 U.S.C. 1341, requires EPA to seek a certification from the State of Alaska that the conditions of the Beaufort general permit are stringent enough to comply with State water quality standards. EPA obtained a draft certification from the Alaska Department of Environmental Conservation (DEC) on January 10, 2012. EPA intends to seek a final certification from DEC prior to issuing the final Beaufort general permit. When the State issues a final certification, it may impose more stringent conditions than what is proposed in the Beaufort general permit to ensure compliance with State water quality standards. EPA would then be required to include the more stringent conditions from the State certification in the permit pursuant to Section 401(d) of the Act, 33 U.S.C. 1341(d). This is also notice of the draft

CWA Section 401 certification provided by the State of Alaska.

DATES: *Comments.* The public comment period for the draft Beaufort and Chukchi general permits will be from the date of publication of this Notice until March 30, 2012. Comments must be received or post-marked by no later than midnight Pacific Standard Time on March 30, 2012.

Public Hearings. EPA will hold public hearings on March 13, 2012, in Barrow, Alaska, at the Inupiat Heritage Center, and March 15, 2012, in Anchorage, Alaska, at the Z. J. Loussac Library. Both hearings will begin at 6 p.m. and will continue until all testimony is heard or 10 p.m., whichever is earlier.

Additionally, EPA will hold two hearings via teleconferences on March 16, 2012, at the following times: 10 a.m.-1 p.m., and 2 p.m.-5 p.m. Alaska Standard Time. See

SUPPLEMENTARY INFORMATION for additional information.

ADDRESSES: You may submit comments by any of the following methods. EPA will consider all comments received during the public comment period prior to making its final decision.
