the Department will automatically revoke the order without further review. See 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department’s regulations provide that all parties wishing to participate in the Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the Federal Register of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the Department’s information requirements are distinct from the Commission’s information requirements. Please consult the Department’s regulations for information regarding the Department’s conduct of Sunset Reviews. Please consult the Department’s regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

Dated: January 17, 2012.

Christian Marsh,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

DEPARTMENT OF COMMERCE
International Trade Administration
[C–570–913]
Certain New Pneumatic Off-the-Road Tires From the People’s Republic of China: Rescission of Countervailing Duty Administrative Review
AGENCY: Import Administration, International Trade Administration, Department of Commerce.
SUMMARY: The Department of Commerce (the Department) is rescinding the administrative review of the countervailing duty order on certain new pneumatic off-the-road tires (OTR Tires) from the People’s Republic of China (PRC) for the period January 1, 2010, through December 31, 2010, with respect to all companies. This rescission is based on the timely withdrawal requests by all the parties that requested a review.

DATES: Effective Date: February 1, 2012.

FOR FURTHER INFORMATION CONTACT: Jun Jack Zhao, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20220; telephone: (202) 482–1396.

SUPPLEMENTARY INFORMATION:

Background
On September 2, 2011, the Department published a notice of opportunity to request an administrative review of the countervailing duty order on OTR Tires from the PRC. See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation: Opportunity To Request Administrative Review, 76 FR 54735 (September 2, 2011). Guizhou Tyre Co., Ltd., Guizhou Advanace Rubber Co., Ltd. and Guizhou Tyre Import and Export Corporation (collectively, GTC), and Tianjin United Tire & Rubber International Co., Ltd. (TUTRIC), timely requested an administrative review of the countervailing duty order on September 27 and 30, 2011, respectively. Also on September 30, 2011, Bridgestone Americas, Inc. and Bridgestone Americas Tire Operations, LLC. (collectively, Bridgestone), a domestic producer of subject merchandise and interested party in the original investigation, timely requested a review of seventy-three OTR Tires producers/exporters from the PRC, including GTC and TUTRIC. In accordance with section 751(a)(1) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(c)(1)(i), the Department initiated an administrative review of the countervailing duty order. See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part, 76 FR 67133 (October 31, 2011).

Due to the large number of OTR Tires producers/exporters for which we received a request for review, the Department selected, in accordance with section 777A(e)(2) of the Act, the two companies that exported the largest volume of subject merchandise during the POR, GTC and Xuzhou Xugong Tyres Co., Ltd. (Xugong), as mandatory respondents. For further information, see the Department’s Selection, dated December 13, 2011. Upon timely request for review, the Department published a notice of Final Determination Regarding Countervailing Duty Order on Certain New Pneumatic Off-the-Road Tires from the People’s Republic of China: Respon skal Selection, dated December 13, 2011. The Department issued a countervailing duty questionnaire to the government of the PRC and the two mandatory respondents on December 13, 2011.

Rescission of Countervailing Duty Administrative Review
On January 6, 2011, Bridgestone timely withdrew its review request with regard to all companies identified in its review request. Subsequently, on January 13, 2011, both GTC and TUTRIC timely withdrew their requests for review. The Department’s regulations provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation. See 19 CFR 351.213(d)(1). Since all parties timely withdrew their requests for review within the 90-day deadline, in accordance with 19 CFR 351.213(d)(1), the Department is fully rescinding this administrative review of the countervailing duty order.

Assessment
The Department will instruct U.S. Customs and Border Protection (CBP) to assess countervailing duties on all appropriate entries. For all companies identified in the requests for review, liquidation was suspended following the initiation of the administrative review. As appropriate, countervailing duties will be assessed at rates equal to the cash deposit or bonding rate of the estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification Regarding Administrative Protective Order
This notice serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of propriety information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations...
and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Christian Marsh,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

This Cost Recovery Program requires IFQ permit holders to submit information about the value of landings of IFQ species and to calculate and submit fees. The Cost Recovery Program requires Registered Buyers to submit information about the value and volume of landings of IFQ species.

II. Method of Collection

Report and payment may be made online or with paper fee submission form (mailed with payment).

III. Data

OMB Control Number: 0648–0398.
Form Number: None.
Type of Review: Regular submission
(extension of a currently approved collection).
Affected Public: Business or other for-profit organizations.
Estimated Number of Respondents: 2,500.

Estimated Time per Response:
2 hours to complete IFQ Permit Holder Fee Submission Form; 2 hours to complete IFQ Registered Buyer Ex-vessel Value and Volume Report; and 2 hours to complete the appeal process.
Estimated Total Annual Burden Hours: 5,894.
Estimated Total Annual Cost to Public: $2,919 in recordkeeping/reporting costs.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Gwellnar Banks,
Management Analyst, Office of the Chief Information Officer.
