SUPPLEMENTARY INFORMATION:

The Commercial Diving Operations Standard information collection requirements are directed toward assuring the safety and health of divers exposed to hyperbaric conditions during and after undersea activities. In addition, the required recordkeeping is intended to bring about a safe workplace and assure the safety of divers. The Standard applies to diving and related support operations conducted by employers involved in general industry, construction, ship repairing, shipbuilding, shipbreaking, and longshoring, and specifies equipment and procedures that prevent injury and death among workers exposed to hazards associated with diving and diving support operations. The Standard contains a number of paperwork requirements codified in regulations 29 CFR 1910.401(b), 1910.410(a)(3) and (a)(4), 1910.420(a), 1910.421(b), 1910.421(f), 1910.421(h), 1910.422(e), 1910.423(b)(1)(ii) through (b)(2), 1910.423(d), 1910.423(e), 1910.430(a), (b)(4), (c)(1)(iii), (c)(3)(i), (f)(3)(ii), and (g)(2), and 1910.440(a)(2) and (b).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under OMB Control Number 1218-0069. The current OMB approval is scheduled to expire on January 31, 2012; however, it should be noted that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional information, see the related notice published in the **Federal Register** on November 1, 2011 (76 FR 67480).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at

the address shown in the **ADDRESSES** section within 30 days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should reference OMB Control Number 1218-0069. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

NATIONAL SCIENCE FOUNDATION

Public Availability of the National Science Foundation FY 2011 Service Contract Inventory

AGENCY: National Science Foundation.

ACTION: Notice of Public Availability of FY 2011 Service Contract Inventories.

SUMMARY: In accordance with Section 743 of Division C of the Consolidated Appropriations Act of 2010 (Pub. L. 111-117), the National Science Foundation is publishing this notice to

advise the public of the availability of the FY 2011 Service Contract inventory. This inventory provides information on service contract actions over \$25,000 that were made in FY 2011. The information is organized by function to show how contracted resources are distributed throughout the agency. The inventory has been developed in accordance with guidance issued on November 5, 2010 and December 19, 2011 by the Office of Management and Budget's Office of Federal Procurement Policy (OFPP). OFPP's guidance is available at <http://www.whitehouse.gov/sites/default/files/omb/procurement/memo/service-contract-inventories-guidance-11052010.pdf> and <http://www.whitehouse.gov/sites/default/files/omb/procurement/memo/service-contract-inventory-guidance.pdf>. The National Science Foundation has posted its inventory and a summary of the inventory on the National Science Foundation homepage at the following link: http://www.nsf.gov/publications/pub_summ.jsp?ods_key=nsf12038.

FOR FURTHER INFORMATION CONTACT:

Questions regarding the service contract inventory should be directed to Richard Pihl in the BFA/DACS at (703) 292-7395 or rpihl@nsf.gov.

Dated: January 30, 2012.

NUCLEAR REGULATORY COMMISSION

[Docket No. NRC-2012-0009]

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Nuclear Regulatory Commission.

ACTION: Notice of pending NRC action to submit an information collection request to the Office of Management and Budget (OMB) and solicitation of public comment.

SUMMARY: The Nuclear Regulatory Commission (NRC) invites public comment about our intention to request the OMB's approval for renewal of an existing information collection that is summarized below. We are required to publish this notice in the **Federal Register** under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35).

Information pertaining to the requirement to be submitted:

1. *The title of the information collection:* 10 CFR Part 62—“Criteria and Procedures for Emergency Access to Non-Federal and Regional Low-Level Waste Disposal Facilities.”

2. *Current OMB approval number:* 3150-0143.

3. *How often the collection is required:* The collection would only be required upon application for a Commission emergency access determination when access to a non-Federal or regional low-level waste disposal facility is denied, which results in an immediate public health and safety and/or common defense and security concern.

4. *Who is required or asked to report:* Generators of low-level radioactive waste, or the Governor of a State on behalf of any generator or generators located in his or her State who are denied access to a non-Federal or regional low-level radioactive wastes and who wish to request emergency access for disposal at a non-Federal or regional LLW disposal facility pursuant to 10 CFR part 62.

5. *The number of annual respondents:* 1.

6. *The number of hours needed annually to complete the requirement or request:* 233.

7. *Abstract:* 10 CFR part 62 sets out the information which must be provided to the NRC by any low-level waste generator or Governor of a State on behalf of generators seeking emergency access to an operating low-level waste disposal facility. The information is required to allow the NRC to determine if denial of disposal constitutes a serious and immediate threat to public health and safety or common defense and security. 10 CFR Part 62 also provides that the Commission may grant an exemption from the requirements in this Part upon application of an interested person or upon its own initiative.

Submit, by April 2, 2012, comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the burden estimate accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?

The public may examine and have copied for a fee, publicly available documents, including the draft supporting statement, at the NRC's

Public Document Room, Room O-1F21, One White Flint North, 11555 Rockville Pike, Rockville, Maryland 20852. OMB clearance requests are available at the NRC worldwide Web site: <http://www.nrc.gov/public-involve/doc-comment/omb/index.html>. The document will be available on the NRC home page site for 60 days after the signature date of this notice.

Comments submitted in writing or in electronic form will be made available for public inspection. Because your comments will not be edited to remove any identifying or contact information, the NRC cautions you against including any information in your submission that you do not want to be publicly disclosed. Comments submitted should reference Docket No. NRC-2012-0009. You may submit your comments by any of the following methods. Electronic comments: Go to <http://www.regulations.gov> and search for Docket No. NRC-2012-0009. Mail comments to NRC Clearance Officer, Tremaine Donnell (T-5 F53), U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001. Questions about the information collection requirements may be directed to the NRC Clearance Officer, Tremaine Donnell (T-5 F53), U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, by telephone at (301) 415-6258, or by email to INFOCOLLECTS.Resource@NRC.GOV.

Dated at Rockville, Maryland, this 27th day of January 2012.

For the Nuclear Regulatory Commission,
Tremaine Donnell,
NRC Clearance Officer, Office of Information Services.

SUPPLEMENTARY INFORMATION: In accordance with Section 743 of Division C of the FY 2010 Consolidated Appropriations Act, Public Law 111-117, the NRC is providing for public information its Inventory of Contracts for Services for FY 2011. The inventory includes service contract actions over \$25,000 that were awarded in FY 2011. The inventory contains the following data:

1. A description of the services purchased;
2. The total dollar amount obligated for the services under the contract, and the funding source for the contract;
3. The contract type and date of the award;
4. The name of the contractor and place of performance;
5. Whether the contract is a personal services contract; and
6. Whether the contract was awarded on a non-competitive basis.

The NRC will analyze the data in the inventory for the purpose of determining if its contract labor is being used in an effective and appropriate manner and if the mix of federal employees and contractors in the agency is effectively balanced. The NRC developed the inventory by pulling data from the Federal Procurement Data
