

Scope of the Orders

Multilayered wood flooring is composed of an assembly of two or more layers or plies of wood veneer(s)¹ in combination with a core. The several layers, along with the core, are glued or otherwise bonded together to form a final assembled product. Multilayered wood flooring is often referred to by other terms, e.g., “engineered wood flooring” or “plywood flooring.” Regardless of the particular terminology, all products that meet the description set forth herein are intended for inclusion within the definition of subject merchandise.

All multilayered wood flooring is included within the definition of subject merchandise, without regard to: Dimension (overall thickness, thickness of face ply, thickness of back ply, thickness of core, and thickness of inner plies; width; and length); wood species used for the face, back and inner veneers; core composition; and face grade. Multilayered wood flooring included within the definition of subject merchandise may be unfinished (*i.e.*, without a finally finished surface to protect the face veneer from wear and tear) or “prefinished” (*i.e.*, a coating applied to the face veneer, including, but not exclusively, oil or oil-modified or water-based polyurethanes, ultraviolet light cured polyurethanes, wax, epoxy-ester finishes, moisture-cured urethanes and acid-curing formaldehyde finishes.) The veneers may be also soaked in an acrylic-impregnated finish. All multilayered wood flooring is included within the definition of subject merchandise regardless of whether the face (or back) of the product is smooth, wire brushed, distressed by any method or multiple methods, or hand-scraped. In addition, all multilayered wood flooring is included within the definition of subject merchandise regardless of whether or not it is manufactured with any interlocking or connecting mechanism (for example, tongue-and-groove construction or locking joints). All multilayered wood flooring is included within the definition of the subject merchandise regardless of whether the product meets a particular industry or similar standard.

The core of multilayered wood flooring may be composed of a range of materials, including but not limited to hardwood or softwood veneer, particleboard, medium-density fiberboard, high-density fiberboard (“HDF”), stone and/or plastic

composite, or strips of lumber placed edge-to-edge.

Multilayered wood flooring products generally, but not exclusively, may be in the form of a strip, plank, or other geometrical patterns (*e.g.*, circular, hexagonal). All multilayered wood flooring products are included within this definition regardless of the actual or nominal dimensions or form of the product.

Specifically excluded from the scope are cork flooring and bamboo flooring, regardless of whether any of the sub-surface layers of either flooring are made from wood. Also excluded is laminate flooring. Laminate flooring consists of a top wear layer sheet not made of wood, a decorative paper layer, a core-layer of HDF, and a stabilizing bottom layer.

Imports of the subject merchandise are provided for under the following subheadings of the HTSUS:

Amended AD and CVD Orders

A ministerial error is defined as “an error in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error which the Secretary considers ministerial.” See 19 CFR 351.224(f); see also sections 705(e) and 735(e) of the Tariff Act of 1930, as amended (“the Act”), and 19 CFR 351.224(c). HTSUS number 4412.31.3175, which was originally listed in the scope of the petition, does not exist in the schedule. The inclusion of this number in the scope of these orders was an inadvertent ministerial error within the meaning of 19 CFR 351.224(f). Accordingly, this notice amends the *AD Order* and *CVD Order* with respect to the scope of the orders, by removing the non-existent HTSUS number.

These amended orders are issued and published in accordance with sections 736(a) and 706(a) of the Act, 19 CFR 351.224(e) and 19 CFR 351.211.

Dated: January 26, 2012.

Paul Piquado,

Assistant Secretary for Import Administration.

Certain Lined Paper Products From India: Notice of Extension of Time Limit for the Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Stephanie Moore or George McMahon, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave. NW., Washington, DC 20230; telephone: (202) 482-3692 or (202) 482-1167, respectively.

Background

On October 28, 2010, the Department of Commerce ("the Department") published a notice of initiation of the administrative review of the antidumping duty order on certain lined paper products from India.¹

On October 7, 2011, the Department published the preliminary results of this review.² The final results of this review are currently due no later than February 6, 2012.³

Extension of Time Limit of the Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue the final results of a review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to a maximum of 180 days. *See also* 19 CFR 351.213(h)(2).

¹ *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 75 FR 66349 (October 28, 2010).

² *See Certain Lined Paper Products from India: Notice of Preliminary Results of Antidumping Duty Administrative Review*, 76 FR 62343 (October 7, 2011).

³ As the due date of February 4, 2012, is a weekend, the due date falls on the next business day of February 6, 2012.

We determine that completion of the final results of this review within the original time limit is not practicable. The Department rejected a rebuttal brief from the respondent, Navneet Publications (India) Limited ("Navneet"), due to untimely filed new factual information and received a revised brief on December 23, 2011.⁴ Additional time is required by the Department in order to analyze and evaluate all of the issues raised by the parties based on the final version of the brief recently submitted on the record of this proceeding. Accordingly, the Department is extending the time limit for the final results by 30 days. The final results are now due no later than March 5, 2012.

This extension is in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2). This notice is published pursuant to sections 751(a)(1) and 777(i)(1) of the Act.
