RAILROAD RETIREMENT BOARD

Agency Forms Submitted for OMB Review, Request for Comments

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Railroad Retirement Board (RRB) is forwarding three Information Collection Requests (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB). Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collections of information to determine (1) the practical utility of the collections; (2) the accuracy of the estimated burden of the collections; (3) ways to enhance the quality, utility, and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of

automated collection techniques or other forms of information technology. Comments to the RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of your comments, it is best if the RRB and OIRA receive them within 30 days of the publication date.

1. Title and Purpose of information collection: Appeal Under the Railroad Retirement and Railroad Unemployment Insurance Act; OMB 3220-0007.

Under Section 7(b)(3) of the Railroad Retirement Act (RRA), and Section 5(c) of the Railroad Unemployment Insurance Act (RUIA) any person aggrieved by a decision on his or her application for an annuity or benefit under that Act has the right to appeal to the RRB. This right is prescribed in 20 CFR 260 and 20 CFR 320. The notification letter, which is sent at the time of the original action on the application, informs the applicant of such right. When an applicant protests a decision, the concerned RRB office reviews the entire file and any additional evidence submitted and sends the applicant a letter explaining the basis of the determination. The applicant is then notified that if he or she wishes to protest further, they can appeal to the RRB's Bureau of Hearings and Appeals. The appeal process is prescribed in 20 CFR 260.5 and 260.9 and 20 CFR 320.12 and 320.38.

The form prescribed by the RRB for filing an appeal under the RRA or RUIA is Form HA-1, *Appeal Under the Railroad Retirement Act or Railroad*

Unemployment Insurance Act. The form asks the applicant to explain the basis for their request for an appeal and, if necessary, to describe any additional evidence they wish to submit in support of the appeal. Completion is voluntary, however, if the information is not provided the RRB cannot process the appeal.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (76 FR 63959 on October 14, 2011) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

Information Collection Request (ICR)

Title: Appeal Under the Railroad Retirement and Railroad Unemployment Insurance Act.

OMB Control Number: 3220-0007.

Form(s) submitted: HA-1.

Type of request: Revision of a currently approved collection.

Affected public: Individuals or Households.

Abstract: Under Section 7(b)(3) of the Railroad Retirement Act and Section 5(c) of the Railroad Unemployment Insurance Act, a person aggrieved by a decision on his or her application for an annuity or other benefit has the right to appeal to the RRB. The collection provides the means for the appeal action.

Changes proposed: The RRB proposes minor editorial and cosmetic changes to Form HA-1.

The burden estimate for the ICR is as follows:

Form No.	Annual responses	Time (minutes)	Burden (hours)
HA-1	600	20	200

2. Title and Purpose of information collection: Evidence of Marital Relationship, Living With Requirements; OMB 3220-0021.

To support an application for a spouse or widow(er)'s annuity under Sections 2(c) or 2(d) of the Railroad Retirement Act, an applicant must submit proof of a valid marriage to a railroad employee. In some cases, the existence of a marital relationship is not formalized by a civil or religious ceremony. In other cases, questions may arise about the legal termination of a prior marriage of the employee, spouse, or widow(er). In these instances, the RRB must secure additional information to resolve questionable marital relationships. The circumstances requiring an applicant to submit

documentary evidence of marriage are prescribed in 20 CFR 219.30.

In the absence of documentary evidence, the RRB needs to determine if a valid marriage existed between a spouse or widow(er) annuity applicant and a railroad employee. The RRB utilizes Forms G-124, Individual Statement of Marital Relationship; G-124a, Certification of Marriage Information; G-237, Statement Regarding Marital Status; G-238, Statement of Residence; and G-238a, Statement Regarding Divorce or Annulment, to secure the needed information. One response is requested of each respondent. Completion is required to obtain benefits.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (76 FR 72010 on

November 21, 2011) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.
