## DEPARTMENT OF EDUCATION

### Applications for New Awards; Indian Education—Professional Development Grants Program

**AGENCY:** Office of Elementary and Secondary Education, Department of Education.

**ACTION:** Notice.

#### *Overview Information:*

Indian Education—Professional Development Grants Program Notice inviting applications for new awards for fiscal year (FY) 2012.

Catalog of Federal Domestic Assistance (CFDA) Number: 84.299B.

#### **DATES:**

*Applications Available:* February 7, 2012.

*Deadline for Transmittal of Applications:* March 8, 2012.

*Deadline for Intergovernmental Review:* May 7, 2012.

#### **Full Text of Announcement**

##### **I. Funding Opportunity Description**

*Purpose of Program:* The purposes of the Indian Education Professional Development Grants program are to (1) increase the number of qualified Indian individuals in professions that serve Indians; (2) provide training to qualified Indian individuals to become teachers, administrators, teacher aides, social workers, and ancillary educational personnel; and (3) improve the skills of qualified Indian individuals who serve in the education field. Activities may include, but are not limited to, continuing education programs, symposia, workshops, conferences, and direct financial support.

*Priorities:* This competition contains three absolute priorities and two competitive preference priorities.

*Background:* On November 5, 2009, President Obama signed a memorandum requiring Federal agencies to conduct consultations with tribal officials when developing policies that have implications for tribal communities. In response to the President's memorandum, the U.S. Department of Education (Department) conducted six consultations with tribal officials during FY 2010. During these consultations, the Department received numerous comments regarding teacher recruitment and retention. Specifically, these comments described difficulties that local educational agencies (LEAs)

located on or near tribally controlled lands—which typically operate high-need schools—face in attracting and retaining highly qualified teachers due to their remote location and other factors. The Indian Education Professional Development Grants program can help address these difficulties.

For FY 2012 the Secretary adds a new absolute priority, *Enabling More Data-Based Decision-Making*. This priority will support projects that provide the data that grantees need, and the capacity and training to use those data to inform professional development practices and approaches and to make informed decisions that increase program effectiveness. For questions and assistance about this priority, contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII in this notice.

*Absolute Priorities:* The absolute priorities are from the notice of final supplemental priorities and definitions for discretionary grant programs, published in the **Federal Register** on December 15, 2010 (75 FR 78486), and corrected on May 12, 2011 (76 FR 27637), and, in accordance with 34 CFR 75.105(b)(2)(ii), from the regulations for this program (34 CFR 263.5(c)). For FY 2012 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, these priorities are absolute priorities. Under 34 CFR 75.105(c)(3), we consider only applications that meet absolute priority 1 and one or both of absolute priorities 2 and 3.

These priorities are:

##### *Absolute Priority 1: Enabling More Data-Based Decision-Making*

Projects that are designed to collect (or obtain), analyze, and use high-quality and timely data, including data on program participant outcomes, in accordance with privacy requirements (as defined in this notice), in the following priority area:

Improving postsecondary student outcomes relating to enrollment, persistence, and completion and leading to career success.

##### *Absolute Priority 2: Pre-Service Training for Teachers*

Projects that provide support and training to Indian individuals to complete a pre-service education program that enables these individuals to meet the requirements for full State certification or licensure as a teacher through—

(i)(A) Training that leads to a bachelor's degree in education before the end of the award period; or

(B) For States allowing a degree in a specific subject area, training that leads to a bachelor's degree in the subject area as long as the training meets the requirements for full State teacher certification or licensure; or

(C) Training in a current or new specialized teaching assignment that requires at least a bachelor's degree and in which a documented teacher shortage exists; and

(ii) One-year induction services after graduation, certification, or licensure, provided during the award period to graduates of the pre-service program while they are completing their first year of work in schools with significant Indian populations.

**Note:** In working with various institutions of higher education and reviewing State certification and licensure requirements, we have found that States allowing a candidate for teacher certification to obtain a degree in a specific subject area (e.g., in a specialty area or in teaching at the secondary level) generally require a master's degree or fifth year of study before an individual can be certified or licensed as a teacher. These students would be eligible to participate so long as their training meets the requirements for full State certification or licensure as a teacher.

##### *Absolute Priority 3: Pre-Service Administrator Training*

A project that provides—

(1) Support and training to Indian individuals to complete a master's degree in education administration that is provided before the end of the award period and that allows participants to meet the requirements for State certification or licensure as an education administrator; and

(2) One year of induction services, during the award period, to participants after graduation, certification, or licensure, while they are completing their first year of work as administrators in schools with significant Indian student populations.

*Competitive Preference Priorities:* In accordance with 34 CFR 75.105(b)(2)(ii) and (iv), the competitive preference priorities are from the regulations for this program (34 CFR 263.5(a) and (b)). For FY 2012 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i) we award up to an additional 10 points to an application, depending on how well the application meets one or both of these priorities.

These priorities are:

*Competitive Preference Priority One (5 points)*

We award five competitive preference points to an application submitted by an Indian tribe, Indian organization, or Indian institution of higher education that is eligible to participate in the Indian Education Professional Development program. A consortium application of eligible entities that meets the requirements of 34 CFR 75.127 through 75.129 of the Education Department General Administrative Regulations (EDGAR) and includes an Indian tribe, Indian organization, or Indian institution of higher education will be considered eligible to receive the five priority points. The consortium agreement, signed by all parties, must be submitted with the application in order to be considered as a consortium application.

*Competitive Preference Priority Two (5 points)*

We award five competitive preference points to an application submitted by a consortium of eligible applicants that includes a tribal college or university and that designates that tribal college or university as the fiscal agent for the application. The consortium application of eligible entities must meet the requirements of 34 CFR 75.127 through 75.129 of EDGAR to be considered eligible to receive the five priority points. These competitive preference points are in addition to the five competitive preference points that may be given under Competitive Preference Priority One. The consortium agreement, signed by all parties, must be submitted with the application in order to be considered as a consortium application.

*Definitions:* The following definition is from the notice of supplemental priorities and definitions for discretionary grant programs, published in the **Federal Register** on December 15, 2010 (75 FR 78486), and corrected on May 12, 2011 (76 FR 27637), and applies to this competition. Additional definitions applicable to this program are found in the authorizing statute for this program at 20 U.S.C. 7442 and 7491, and in applicable regulations in 34 CFR parts 77 and 263, and will be included in the application package.

*Privacy requirements* means the requirements of the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. 1232g, and its implementing regulations in 34 CFR part 99, the Privacy Act, 5 U.S.C. 552a, as well as all applicable Federal, State and local requirements regarding privacy.

*Program Authority:* 20 U.S.C. 7442.

*Applicable Regulations:* (a) EDGAR in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98 and 99. (b) The regulations for this program in 34 CFR part 263. (c) The supplemental priorities and definitions for discretionary grant programs, published in the **Federal Register** on December 15, 2010 (75 FR 78486), and corrected on May 12, 2011 (76 FR 27637).

**Note:** The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

**Note:** The regulations in 34 CFR part 86 apply to institutions of higher education only.

\$300,000–\$400,000.

## III. Eligibility Information

1. *Eligible Applicants:* Eligible applicants for this program are institutions of higher education, including Indian institutions of higher education; State educational agencies (SEAs) or LEAs in consortium with an institution of higher education; Indian tribes or organizations in consortium with an institution of higher education; and Department of the Interior/Bureau of Indian Education-funded schools in consortium with an institution of higher education. LEAs include charter schools that are considered LEAs under State law.

An application from a consortium of eligible entities must meet the requirements of 34 CFR 75.127 through

75.129. An application from a consortium of eligible entities must include a consortium agreement, signed by all parties, with the application. Letters of support do not meet the requirement for a consortium agreement.

In order to be considered an eligible entity, applicants, including institutions of higher education, must be eligible to provide the level and type of degree proposed in the application or must apply in a consortium with an institution of higher education that is eligible to grant the target degree.

Applicants applying in consortium with or as an Indian organization must demonstrate that they meet the definition of “Indian organization” in 34 CFR 263.3.

The term “Indian institution of higher education” means an accredited college or university within the United States cited in section 532 of the Equity in Educational Land-Grant Status Act of 1994 (7 U.S.C. 301 note), any other institution that qualifies for funding under the Tribally Controlled College or University Assistance Act of 1978 (25 U.S.C. 1801 *et seq.*), and Dine College (formerly Navajo Community College), authorized in the Navajo Community College Assistance Act of 1978 (25 U.S.C. 640a *et seq.*).

2. *Cost Sharing or Matching:* This program does not require cost sharing or matching.

3. *Other:* Projects funded under this competition are encouraged to budget for a two-day Project Directors’ meeting in Washington, DC during each year of the project period. In addition, the Department strongly encourages grantees to begin to provide training by January 2013.

**3. Submission Dates and Times:** Applications Available: February 7, 2012.

Deadline for Transmittal of Applications: March 8, 2012.

Applications for grants under this competition must be submitted electronically using the Grants.gov Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. **7. Other Submission Requirements** of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid

in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

Deadline for Intergovernmental Review: May 7, 2012.

**4. Intergovernmental Review:** This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this competition.

**5. Funding Restrictions:** We specify allowable costs in 34 CFR 263.4, a project funded under this program may include, as training costs, assistance to either fully finance a student's educational expenses or supplement other financial aid for meeting a student's educational expenses. For the payment of stipends to project participants receiving training, the Secretary expects to set the stipend maximum at \$1,800 per month for full-time students and provide for a \$300 allowance per month per dependent during an academic term. The terms "stipend," "full-time student," and "dependent allowance" are defined in 34 CFR 263.3. Stipends may be paid only to full-time students.

We reference additional regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

**6. Data Universal Numbering System Number, Taxpayer Identification Number, and Central Contractor Registry:** To do business with the Department of Education, you must—

- a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);
- b. Register both your DUNS number and TIN with the Central Contractor Registry (CCR), the Government's primary registrant database;
- c. Provide your DUNS number and TIN on your application; and
- d. Maintain an active CCR registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization, you can

obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2–5 weeks for your TIN to become active.

The CCR registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

In addition, if you are submitting your application via Grants.gov, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined at the following Grants.gov Web page: [http://www.grants.gov/applicants/get\\_registered.jsp](http://www.grants.gov/applicants/get_registered.jsp).

**7. Other Submission Requirements:** Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

**a. Electronic Submission of Applications.**

Applications for grants under the Indian Education—Professional Development program, CFDA Number 84.299B, must be submitted electronically using the Governmentwide Grants.gov Apply site at [www.Grants.gov](http://www.Grants.gov). Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not email an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the Indian Education—Professional Development program at [www.Grants.gov](http://www.Grants.gov). You must search for the downloadable application package

for this program by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.299, not 84.299B).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted, and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this program to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department's G5 system home page at <http://www.G5.gov>.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information form SF 424, Budget Information—Non-

Construction Programs (ED 524), and all necessary assurances and certifications.

- You must upload any narrative sections and all other attachments to your application as files in a .PDF (Portable Document) read-only, non-modifiable format. If you upload a file type other than a read-only, non-modifiable .PDF or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by email. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

*Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System:* If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your

application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

**Note:** The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

*Exception to Electronic Submission Requirement:* You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or

- You do not have the capacity to upload large documents to the Grants.gov system; and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Lana Shaughnessy, U.S. Department of Education, 400 Maryland Avenue SW., room number 3E231, Washington, DC 20202. FAX: (202) 260-7779.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

b. *Submission of Paper Applications by Mail.*

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address:

U.S. Department of Education, Application Control Center, Attention: CFDA Number 84.299B, LBJ Basement Level 1, 400 Maryland Avenue SW., Washington, DC 20202-4260.

(3) A dated shipping label, invoice, or receipt from a commercial carrier.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

(1) A private metered postmark.

(2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

**Note:** The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

#### c. *Submission of Paper Applications by Hand Delivery.*

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application, by hand, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.299B) 550 12th Street SW., Room 7041, Potomac Center Plaza, Washington, DC 20202-4260.

(2) The Application Control Center will mail to you a notification of receipt of your grant application. ## V. Application Review Information

1. *Selection Criteria:* The selection criteria for this competition are from 34 CFR 263.6 and are listed in the application package.

2. *Review and Selection Process:* We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant's use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary also requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

3. *Special Conditions:* Under 34 CFR 74.14 and 80.12, the Secretary may impose special conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 34 CFR parts 74 or 80, as applicable; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

## VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the

necessary processes and systems to comply with the reporting requirements in 2 CFR 170 should you receive funding under this competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

(c) During the entire performance period of the grant, the grantee must submit a Semi-Annual Participant Report (SAPR), OMB Control No. 1810-069. The SAPR includes budget expenditures, data on project performance measures, and information about participants and their status in the program.

4. *Performance Measures:* The Secretary has established the following key performance measures to evaluate the overall effectiveness of the Indian Education Professional Development program: (1) The percentage of participants in administrator preparation projects who become principals, vice principals, or other school administrators in LEAs that enroll five percent or more American Indian and Alaska Native students; (2) The percentage of participants in teacher preparation projects who become teachers in LEAs that enroll five percent or more American Indian and Alaska Native students; (3) The percentage of program participants who meet the definition of "Highly Qualified" in section 9101(23) of the ESEA; (4) The percentage of program participants who complete their service requirement on schedule; (5) The cost per individual who successfully completes an administrator preparation program, takes a position in a school district with at least five percent American Indian/Alaska Native enrollment, and completes the service requirement in such a district; and (6) The cost per individual who successfully completes a teacher preparation program, takes a position in such a school district with at least five percent American Indian/Alaska Native enrollment, and completes the service requirement in such a district.

We encourage applicants to demonstrate a strong capacity to provide reliable data on these measures in their responses to the selection criteria "Quality of project services" and "Quality of the project evaluation."

All grantees will be expected to submit, as part of their performance report, information with respect to these performance measures.

5. *Continuation Awards*: In making a continuation award, the Secretary may consider, under 34 CFR 75.253, the extent to which a grantee has made "substantial progress toward meeting the objectives in its approved application." This consideration includes the review of a grantee's progress in meeting the targets and projected outcomes in its approved application, and whether the grantee has expended funds in a manner that is consistent with its approved application and budget. In making a continuation grant, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).
