The NCEL is 1.0 mg/m³ as an 8-hour time weighted average. Persons who wish to pursue NCELS as an alternative to the § 721.63 respirator requirements may request to do so under § 721.30. Persons whose § 721.30 requests to use the NCELS approach are approved by EPA will receive NCELS provisions comparable to those contained in the corresponding section 5(e) consent order. In the Second Report and Order, the Commission took initial steps to improve the procedures for addressing program carriage complaints by: (i) Codifying in the Commission's rules what a program carriage complainant must demonstrate in its complaint to establish a prima facie case of a program carriage violation; (ii) providing the defendant with 60 days (rather than the current 30 days) to file an answer to a program carriage complaint; (iii) establishing deadlines for action by the Media Bureau and Administrative Law Judges ("ALJ") when acting on program carriage complaints; and (iv) establishing procedures for the Media Bureau's consideration of requests for a temporary standstill of the price, terms, and other conditions of an existing programming contract by a program carriage complainant seeking renewal of such a contract.

The following rule sections contain new or revised information collection requirements and the Commission received final approval for the requirements from the Office of Management and Budget (OMB) on January 30, 2012:

47 CFR 1.221(h) requires that, in a program carriage complaint proceeding filed pursuant to Section 76.1302 that the Chief, Media Bureau refers to an administrative law judge for an initial decision, each party, in person or by attorney, shall file a written appearance within five calendar days after the party informs the Chief Administrative Law Judge that it elects not to pursue

alternative dispute resolution pursuant to Section 76.7(g)(2) or, if the parties have mutually elected to pursue alternative dispute resolution pursuant to Section 76.7(g)(2), within five calendar days after the parties inform the Chief Administrative Law Judge that they have failed to resolve their dispute through alternative dispute resolution. The written appearance shall state that the party will appear on the date fixed for hearing and present evidence on the issues specified in the hearing designation order.

47 CFR 1.229(b)(3) requires that, in a program carriage complaint proceeding filed pursuant to Section 76.1302 that the Chief, Media Bureau refers to an administrative law judge for an initial decision, a motion to enlarge, change, or delete issues shall be filed within 15 calendar days after the deadline for submitting written appearances pursuant to Section 1.221(h), except that persons not named as parties to the proceeding in the designation order may file such motions with their petitions to intervene up to 30 days after publication of the full text or a summary of the designation order in the **Federal Register**.

47 CFR 1.229(b)(4) provides that any person desiring to file a motion to modify the issues after the expiration of periods specified in paragraphs (a), (b)(1), (b)(2), and (b)(3) of 47 CFR 1.229, shall set forth the reason why it was not possible to file the motion within the prescribed period.

47 CFR 1.248(a) provides that the initial prehearing conference as directed by the Commission shall be scheduled 30 days after the effective date of the order designating a case for hearing, unless good cause is shown for scheduling such conference at a later date, except that for program carriage complaints filed pursuant to Section 76.1302 that the Chief, Media Bureau refers to an administrative law judge for an initial decision, the initial prehearing conference shall be held no later than 10 calendar days after the deadline for submitting written appearances pursuant to Section 1.221(h) or within such shorter or longer period as the Commission may allow on motion or notice consistent with the public interest.

47 CFR 1.248(b) provides that the initial prehearing conference as directed by the presiding officer shall be scheduled 30 days after the effective date of the order designating a case for hearing, unless good cause is shown for scheduling such conference at a later date, except that for program carriage complaints filed pursuant to Section 76.1302 that the Chief, Media Bureau

refers to an administrative law judge for an initial decision, the initial prehearing conference shall be held no later than 10 calendar days after the deadline for submitting written appearances pursuant to Section 1.221(h) or within such shorter or longer period as the presiding officer may allow on motion or notice consistent with the public interest.

47 CFR 76.7(g)(2) provides that, in a proceeding initiated pursuant to Section 76.7 that is referred to an administrative law judge, the parties may elect to resolve the dispute through alternative dispute resolution procedures, or may proceed with an adjudicatory hearing, provided that the election shall be submitted in writing to the Commission and the Chief Administrative Law Judge.

47 CFR 76.1302(c)(1) provides that a program carriage complaint filed pursuant to Section 76.1302 must contain the following: whether the complainant is a multichannel video programming distributor or video programming vendor, and, in the case of a multichannel video programming distributor, identify the type of multichannel video programming distributor, the address and telephone number of the complainant, what type of multichannel video programming distributor the defendant is, and the address and telephone number of each defendant.

47 CFR 76.1302(d) sets forth the evidence that a program carriage complaint filed pursuant to Section 76.1302 must contain in order to establish a prima facie case of a violation of Section 76.1301.

47 CFR 76.1302(e)(1) provides that a multichannel video programming distributor upon whom a program carriage complaint filed pursuant to Section 76.1302 is served shall answer within sixty (60) days of service of the complaint, unless otherwise directed by the Commission.

47 CFR 76.1302(k) permits a program carriage complainant seeking renewal of an existing programming contract to file a petition along with its complaint requesting a temporary standstill of the price, terms, and other conditions of the existing programming contract pending resolution of the complaint, to which the defendant will have the opportunity to respond within 10 days of service of the petition, unless otherwise directed by the Commission. To allow for sufficient time to consider the petition for temporary standstill prior to the expiration of the existing programming contract, the petition for temporary standstill and complaint shall be filed no later than thirty (30) days prior to the

expiration of the existing programming contract.
