OFFICE OF MANAGEMENT AND BUDGET

2011 Statutory Pay-As-You-Go Act Annual Report

AGENCY: Office of Management and Budget (OMB).

ACTION: Notice.

SUMMARY: This report is being published as required by the Statutory Pay-As-You-Go (PAYGO) Act of 2010, 2 U.S.C. 931 *et seq.* The Act requires that OMB issue (1) an annual report as specified in 2 U.S.C. 934(a) and (2) a sequestration order, if necessary.

FOR FURTHER INFORMATION CONTACT: Patrick Locke. (202) 395-3945.

SUPPLEMENTARY INFORMATION: This report and additional information about the PAYGO Act can be found at http://www.whitehouse.gov/omb/paygo_default.

Authority: 2 U.S.C. 934.

David Rowe,

Deputy Assistant Director for Budget.

This Report is being published pursuant to section 5 of the Statutory Pay-As-You-Go (PAYGO) Act of 2010, Public Law 111-139, 124 Stat. 8, 2 U.S.C. 934, which requires that OMB issue an annual PAYGO report, including a sequestration order if necessary, within 14 working days after the end of a Congressional session.

This Report describes the budgetary effects of all legislation enacted during the first session of the 112th Congress and presents the 5-year and 10-year PAYGO scorecards maintained by OMB. Because neither the 5-year nor 10-year scorecard shows a debit for the budget year, which for purposes of this Report is fiscal year 2012,¹ a sequestration order under subsection 5(b) of the PAYGO Act, 2 U.S.C. 934(b), is not necessary.

There was no legislation designated as emergency legislation under section 4(g) of the PAYGO Act, 2 U.S.C. 933(g) enacted during the first session of the 112th Congress. In addition, the scorecards include no current policy adjustments made under section 4(c) of the PAYGO Act, 2 U.S.C. 933(c), for legislation enacted during the first session of the 112th Congress. For these

¹ References to years on the PAYGO scorecards are to fiscal years.

reasons, the Report does not contain any information about emergency legislation or a description of any current policy adjustments.

I. PAYGO Legislation With Budgetary Effects

PAYGO legislation is authorizing legislation that affects direct spending or revenues; and appropriations legislation that affects direct spending in the years beyond the budget year or affects revenues in any year.² For a more complete description of the Statutory PAYGO Act, see the OMB Web site, http://www.whitehouse.gov/omb/paygo_description, and Chapter 14, "Budget Process," of the *Analytical Perspectives* volume of the 2012 Budget, <http://www.gpoaccess.gov/usbudget/fy12/index.html>.

The 5-year PAYGO scorecard shows that PAYGO legislation enacted in the first session of the 112th Congress was estimated to have PAYGO budgetary effects that increase the deficit by \$1,880 million each year from 2012 through 2016.³ However, balances carried over from the second session of the 111th Congress result in net savings being shown on the 5-year scorecard for years 2012 through 2015. The 10-year PAYGO scorecard shows that PAYGO legislation for this session of Congress decreased the deficit by \$710 million each year from 2012 through 2021. Balances from the prior session further increase the savings in years 2012 through 2020.

In the first session of the 112th Congress, 33 laws were enacted that were determined to constitute PAYGO legislation. Of the 33 enacted PAYGO laws, 6 were estimated to have PAYGO budgetary effects (costs or savings) in excess of \$500 million over one or both of the 5-year or 10-year PAYGO windows. These acts were:

² Provisions in appropriations acts that affect budget authority for direct spending in the years beyond the budget year (also known as "outyears") or affect revenues in any year are scorable for the purposes of the PAYGO scorecards except if the provisions produce outlay changes that net to zero over the current year, budget year, and the four subsequent years. As specified in section 3 of the Statutory PAYGO Act, off-budget effects are not counted as budgetary effects. Off-budget effects refer to effects on the Social Security trust funds (Old-Age and Survivors Insurance and Disability Insurance) and the Postal Service.

³ As provided in section 4(d) of the PAYGO Act, 2 U.S.C. 933(d), budgetary effects on the PAYGO scorecards are based on Congressional estimates for bills including a reference to a Congressional estimate in the Congressional Record, and for which such a reference is indeed present in the Record. Absent such a Congressional cost estimate, OMB is required to use its own estimate for the scorecard. No bill enacted during the first session of the 112th Congress had such a Congressional estimate and therefore OMB was required to provide an estimate for all PAYGO laws enacted during the session.
