

petitioned for an exemption from the notification and remedy requirements of 49 U.S.C. Chapter 301 on the basis that this noncompliance is inconsequential to motor vehicle safety.

This notice of receipt of Volkswagen's petition is published under 49 U.S.C. 30118 and 30120 and does not represent any agency decision or other exercise of judgment concerning the merits of the petition.

Affected are approximately 463 model year 2011 Volkswagen Jetta passenger cars equipped with a TDI engine and Goodyear Eagle Vector 205/55 R16 94V XL tires, and manufactured between March 18, 2011 and March 23, 2011.

NHTSA notes that the statutory provisions (49 U.S.C. 30118(d) and 30120(h)) that permit manufacturers to file petitions for a determination of inconsequentiality allow NHTSA to exempt manufacturers only from the duties found in sections 30118 and 30120, respectively, to notify owners, purchasers, and dealers of a defect or noncompliance and to remedy the defect or noncompliance. Therefore, these provisions only apply to the 463² vehicles that Volkswagen no longer controlled at the time that it determined that a noncompliance existed in the subject vehicles.

Paragraph S4.2.1.2 of FMVSS No. 110 requires:

S4.2.1.2 The vehicle normal load on the tire shall not be greater than 94 percent of the load rating at the vehicle manufacturer's recommended cold inflation pressure for that tire.

Volkswagen explains that the noncompliance is that the recommended cold tire inflation pressure stated on the tire and loading information label is less than that calculated as prescribed by paragraph S4.2.1.2 of FMVSS No. 110 for the Goodyear Eagle Vector 205/55 R16 94V XL tires installed on the subject vehicles. The tire and loading information label shows a recommended tire pressure of 33 psi, however, it should read 34 psi.

Volkswagen argues that this noncompliance is inconsequential to motor vehicle safety because the noncompliant vehicle placards do not

create an unsafe condition and all other labeling requirements have been met.

In summation, Volkswagen believes that the described noncompliance of its tire and loading information labels to meet the requirements of FMVSS No. 110 is inconsequential to motor vehicle safety, and that its petition, to exempt from providing recall notification of noncompliance as required by 49 U.S.C. 30118 and remedying the recall noncompliance as required by 49 U.S.C. 30120 should be granted.

Interested persons are invited to submit written data, views, and arguments on this petition. Comments must refer to the docket and notice number cited at the beginning of this notice and be submitted by any of the following methods:

a. *By mail addressed to:* U.S. Department of Transportation, Docket Operations, M-30, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE., Washington, DC 20590.

b. *By hand delivery to:* U.S. Department of Transportation, Docket Operations, M-30, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE., Washington, DC 20590. The Docket Section is open on weekdays from 10 a.m. to 5 p.m. except Federal Holidays.

c. *Electronically:* by logging onto the Federal Docket Management System (FDMS) Web site at <http://www.regulations.gov/>. Follow the online instructions for submitting comments. Comments may also be faxed to 1-202-493-2251.

Comments must be written in the English language, and be no greater than 15 pages in length, although there is no limit to the length of necessary attachments to the comments. If comments are submitted in hard copy form, please ensure that two copies are provided. If you wish to receive confirmation that your comments were received, please enclose a stamped, self-addressed postcard with the comments. Note that all comments received will be posted without change to http://www.regulations.gov, including any personal information provided.

Documents submitted to a docket may be viewed by anyone at the address and times given above. The documents may also be viewed on the Internet at http://www.regulations.gov by following the online instructions for accessing the dockets. DOT's complete Privacy Act Statement is available for review in the **Federal Register** published on April 11, 2000, (65 FR 19477-78).

The petition, supporting materials, and all comments received before the close of business on the closing date

indicated below will be filed and will be considered. All comments and supporting materials received after the closing date will also be filed and will be considered to the extent possible. When the petition is granted or denied, notice of the decision will be published in the **Federal Register** pursuant to the authority indicated below.

Comment closing date: March 12, 2012.

Authority: 49 U.S.C. 30118, 30120; delegations of authority at CFR 1.50 and 501.8.

Issued on: February 3, 2012.

Claude H. Harris,
Director, Office of Vehicle Safety Compliance.

DEPARTMENT OF TRANSPORTATION

Pipeline and Hazardous Materials Safety Administration

[Docket ID PHMSA-2012-0021]

Pipeline Safety: Notice of Public Meetings on Improving Pipeline Leak Detection System Effectiveness and Understanding the Application of Automatic/Remote Control Valves

AGENCY: Pipeline and Hazardous Materials Safety Administration (PHMSA), DOT.

ACTION: Notice of workshop.

SUMMARY: The recent passage of the Pipeline Safety, Regulatory Certainty, and Job Creation Act of 2011 has set forth several mandates and reports to Congress that PHMSA must complete. Reports on leak detection and automatic/remote control valves are among these mandates. PHMSA is sponsoring these public meetings to further study how to encourage operators to expand the use of leak detection systems (LDS) and improve system effectiveness on the Nation's pipeline infrastructure and how remote control and automatic control valves can be installed to lessen the volume of natural gas and hazardous liquid released during catastrophic pipeline events.

DATES: The public meeting on Improving Pipeline Leak Detection System Effectiveness will be held on Tuesday, March 27, 2012, from 8 a.m. to 6 p.m. EDT. The public meeting on Understanding the Application of Automatic and Remote Control Valves will be held on Wednesday, March 28, 2012, from 8 a.m. to 4 p.m. EDT. Name badge pick-up and on-site registration will be available starting at 7:30 a.m.

² Volkswagen's petition, which was filed under 49 CFR Part 556, requests an agency decision to exempt Volkswagen as a vehicle manufacturer from the notification and recall responsibilities of 49 CFR part 573 for the 463 affected vehicles. However, a decision on this petition cannot relieve vehicle distributors and dealers of the prohibitions on the sale, offer for sale, introduction or delivery for introduction into interstate commerce of the noncompliant vehicles under their control after Volkswagen notified them that the subject noncompliance existed.

each day. Refer to the meeting Web site for updated registration information, agenda and times at <https://primis.phmsa.dot.gov/meetings/MtgHome.mtg?mtg=75>. Please note that both meetings will be webcast in their entirety. The webcast link will be posted on the above meeting page prior to the event. All presentations will be available on the meeting Web site within days following these public meetings.

ADDRESSES: The public meetings will be held at The Hilton Washington, DC/ Rockville Hotel, 1750 Rockville Pike, Rockville, MD 20852, Phone: 301-468-1100, Fax: 301-468-0308, http://www1.hilton.com/en_US/hi/hotel/IADMRHF-Hilton-Washington-DC-Rockville-Hotel-Executive-Meeting-Ctr-Maryland/index.do. Please contact the Hilton to reserve a room using "U.S. Department of Transportation" or "USD" for the room block name at the rate of \$224/night. This room rate is available for the night of March 26 through the night of March 28 until the reserved rooms at this rate are taken. Please also contact the Hilton for information on facilities or services for individuals with disabilities or to request special assistance during these public meetings. The meeting room will be posted at the hotel on the days of the workshop.

Public Meetings Registration: Please visit <https://primis.phmsa.dot.gov/meetings/MtgHome.mtg?mtg=75> and click on these public meetings to register.

FOR FURTHER INFORMATION CONTACT: Patricia Jason at 202-366-4774, or by email at patricia.jason@DOT.gov.

SUPPLEMENTARY INFORMATION: PHMSA will be holding two public meetings designed to provide an open forum for exchanging information on the challenges associated with LDS and automatic/remote control valves. Specifically, these public meetings will facilitate individual panel discussions for the following objectives:

March 27

Improving Pipeline Leak Detection System Effectiveness

1. Inform the public, Federal and state regulatory agencies and legislators in Congress on state-of-the-art leak detection systems and the practical considerations involved with deploying and maintaining these systems.

2. Identify the constraints and issues with deploying systems on existing and new construction pipelines.

3. Collect public input that will help guide a PHMSA study investigating and documenting detection system challenges and considerations.

Information from that study will help craft a future report to Congress.

March 28

Understanding the Application of Automatic Control and Remote Control Valves

1. Gather and disseminate information on the state-of-the-art of automatic/remote control valve operations on the practical considerations involved with installing, operating and maintaining these valves.

2. Identify the constraints with deploying systems on existing versus new construction pipelines.

3. Collect public input that will help guide a PHMSA study investigating and documenting automatic control and remote control valve challenges and considerations. Information from that final report will help craft a future report to Congress.

Preliminary Agenda for the Public Meeting on Improving Pipeline Leak Detection System Effectiveness—Tuesday, March 27

8 a.m. Welcome/Event Objectives/Importance
8:10 a.m. Panel 1: Considerations for Hazardous Liquid Pipeline Leak Detection Systems
10:10 a.m. Break
10:25 a.m. Panel 2: Hazardous Liquid Pipeline Leak Detection System Capabilities and Research
12:30 p.m. Lunch
1:30 p.m. Panel 3: Considerations for Natural Gas Pipeline Leak Detection Systems
3:30 p.m. Break
3:45 p.m. Panel 4: Natural Gas Pipeline Leak Detection System Capabilities and Research
5:45 p.m. Wrap-Up/Next Steps
6 p.m. Adjournment

Preliminary Agenda for the Public Meeting on Understanding the Application of Automatic Control and Remote Control Valves—Wednesday, March 28

8 a.m. Welcome/Event Objectives/Importance
8:10 a.m. Panel 1: Valve Considerations for Hazardous Liquid Pipelines
10:10 a.m. Break
10:25 a.m. Panel 2: Valve Considerations for Natural Gas Transmission Pipelines
12:30 p.m. Lunch
2 p.m. Panel 3: Valve Capabilities, Limitations and Research
4 p.m. Wrap-Up/Next Steps
4:15 p.m. Adjournment

Please note that there are objectives for each panel and that they are posted

on the meeting Web site. This information will explicitly illustrate the rigor of considerations regarding the subject matter and how they tie to the event goals.

Webcasting: Both public meetings will be webcasted. Please refer to this event listed on <https://primis.phmsa.dot.gov/meetings/MtgHome.mtg?mtg=75> for more information.

Issued in Washington, DC on February 2, 2012.

Jeffrey D. Wiese,

Associate Administrator for Pipeline Safety.

BILLING CODE 4910-60-P

DEPARTMENT OF THE TREASURY

Internal Revenue Service

Proposed Collection; Comment Request for Notice 2011-87

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Notice and request for comments.

SUMMARY: The Department of the Treasury, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104-13 (44 U.S.C. 3506(c)(2)(A)). Currently, the IRS is soliciting comments concerning Notice 2011-87, Alabama Low-Income Housing Relief Credit.

DATES: Written comments should be received on or before April 9, 2012 to be assured of consideration.

ADDRESSES: Direct all written comments to Yvette Lawrence, Internal Revenue Service, room 6129, 1111 Constitution Avenue NW., Washington, DC 20224.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of notice should be directed to Allan Hopkins, at (202) 622-6665, or at Internal Revenue Service, room 6129, 1111 Constitution Avenue NW., Washington, DC 20224, or through the Internet, at Allan.M.Hopkins@irs.gov.

SUPPLEMENTARY INFORMATION:
Title: Alabama Low-Income Housing Relief Credit.

OMB Number: 1545-2220.

Notice Number: Notice 2011-87.

Abstract: The Internal Revenue Service is suspending certain requirements under § 42 of the Internal Revenue Code for low-income housing
