DEPARTMENT OF DEFENSE

Department of the Navy

Notice of Intent To Prepare a Supplemental Environmental Impact Statement for a Live-Fire Training Range Complex on Guam To Support the Guam Military Relocation

AGENCY: Department of the Navy, DoD.
ACTION: Notice.

SUMMARY: Pursuant to Section 102(2)(c) of the National Environmental Policy Act (NEPA) of 1969, as implemented by the Council on Environmental Quality Regulations (40 CFR parts 1500–1508), the Department of the Navy (DoN) announces its intent to prepare a Supplemental Environmental Impact Statement (SEIS) to evaluate the potential environmental consequences that may result from construction and operation of a live-fire training range complex and associated infrastructure on Guam to support the Guam Military Relocation. The SEIS supplements the Final EIS for the “Guam and Commonwealth of the Northern Mariana Islands (CNMI) Military Relocation; Relocating Marines from Okinawa, Visiting Aircraft Carrier Berthing, and Army Air and Missile Defense Task Force” dated July 2010.

Pursuant to 40 CFR 1502.9(c), a SEIS is being prepared for the limited purpose of supplementing the 2010 Final EIS regarding the establishment of a live-fire training range complex on Guam.

The proposed action that will be analyzed in the SEIS is to construct and operate a live-fire training range complex that allows for simultaneous use of all firing ranges to support training and operations on Guam for the relocated Marines. The DoN has preliminarily identified five alternatives for the range complex: two are adjacent to Route 15 in northeastern Guam, and three are located at or immediately adjacent to the Naval Magazine (NAVMAG), also known as the Naval Munitions Site. The SEIS will also consider the No Action Alternative.

The purpose and need for the proposed action is to ensure that the relocated Marines are organized, trained, and equipped as mandated in section 5063 of Title 10 of the United States Code, and to satisfy individual live-fire training requirements as described in the Guam and CNMI Military Relocation Final EIS and associated Record of Decision (ROD).

The live-fire training range complex will consist of a Known Distance (KD) rifle range, KD pistol range, Modified

Record of Fire Range, nonstandard small arms range, Multipurpose Machine Gun range, and a hand grenade range. The proposed action also includes associated roadways and supporting infrastructure.

The DoN encourages government agencies, private-sector organizations, and the general public to participate in the NEPA process for the training range complex. Because the Federal Aviation Administration (FAA) will have to approve airspace associated with the training range complex at any of the five preliminary alternatives being considered, the DoN will invite the FAA to participate as a cooperating agency in the preparation of the SEIS.

The DoN invites comments on the proposed scope and content of the SEIS from all interested parties. Comments on the scope of the SEIS may be provided by mail and through the SEIS Web site at: http://bit.ly/Guam_LFTRC_SEIS. In addition, the DoN will conduct public open-house scoping meetings on Guam to obtain comments on the scope of the SEIS and to identify specific environmental concerns or topics for consideration in the SEIS. Meetings will be held at the following locations and times:

Saturday, March 17, 2012, from 1 p.m. to 5 p.m., University of Guam Field House, Mangilao, Guam;

Monday, March 19, 2012, from 5 p.m. to 9 p.m., Southern High School, Santa Rita, Guam;

Tuesday, March 20, 2012, from 5 p.m. to 9 p.m., Yigo Gymnasium, Yigo, Guam.

Interested agencies, individuals, and groups unable to attend the open-house scoping meetings are encouraged to submit comments by April 6, 2012. Mailed comments should be postmarked no later than April 6, 2012, Chamorro Standard Time (ChST) to ensure they are considered. Mail comments to: Joint Guam Program Office Forward, P.O. 153246, Santa Rita, GU 96915.

FOR FURTHER INFORMATION CONTACT: Ms. Catherine Norton, Public Affairs Officer, NAVFAC Marianas; phone (671) 349–4053; email: Catherine.norton@fe.navy.mil.

SUPPLEMENTARY INFORMATION: The DoN’s proposed action is to construct and operate a live-fire training range complex and associated infrastructure in support of the Guam Military Relocation.

A ROD for the Guam and CNMI Military Relocation Final EIS was signed on September 20, 2010, and published in the **Federal Register** on September 30, 2010 (Volume 75, Number 189, Page 60438). This ROD deferred a decision on the specific site
