

system(s) (type of facilities constructed and their operational status is required). Any 38.6–40.0 GHz band licensees adjudged not to be providing substantial service will not have their license(s) renewed.

The requirement to demonstrate substantial service happens once every 10 years. Every licensee in this band will have to make a showing in the next three years because of when the licenses were originally issued and our decision to extend the deadline for some licensees. However, the number of respondents that will need to comply with this substantial service requirement of the 47 CFR 101.17 within the period covered by this submission is far less than the Commission originally sought and received OMB approval in 2006.

Without this information the Commission would not be able to carry out its statutory responsibilities.

FEDERAL TRADE COMMISSION

Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-ScottRodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section 7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination—on the dates indicated—of the waiting period provided by law and the premerger notification rules. The listing for each transaction includes the transaction number and the parties to the transaction. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.
