

foreign banks and foreign insurance companies that are exempted from the definition of “investment company” by virtue of rules 3a-1 (17 CFR 270.3a-1), 3a-5 (17 CFR 270.3a-5), and 3a-6 (17 CFR 270.3a-6) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) to file Form F-N (17 CFR 239.43) to appoint an agent for service of process when making a public offering of securities in the United States. During calendar year 2010, approximately 13 entities were required by rule 489 to make 15 Form F-N submissions. The Commission has previously estimated that the total annual burden associated with information collection and Form F-N preparation and submission is one hour per filing. Based on the Commission’s experience with disclosure documents generally, the Commission continues to believe that this estimate is appropriate. The estimated annual burden of complying with the rule’s filing requirement is approximately 15 hours, as some of the entities submitted multiple filings.

The estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act of 1995 and are not derived from a comprehensive or even representative survey or study of the cost of Commission rules and forms.

The collection of information under Form F-N is mandatory. The information provided by the Form is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the “Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 6c-7 (17 CFR 270.6c-7) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (“1940 Act”) provides exemption from certain provisions of Sections 22(e) and 27 of the 1940 Act for registered separate accounts offering variable annuity contracts to certain employees of Texas institutions of higher education participating in the Texas Optional Retirement Program. There are approximately 50 registrants governed by rule 6c-7. The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules or forms. The Commission does not include in the estimate of average burden hours the time preparing registration statements and sales literature disclosure regarding the restrictions on redeemability imposed by Texas law. The estimate of burden hours for completing the relevant registration statements are

The Commission requests written comments on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.
