SUPPLEMENTARY INFORMATION: The Community Challenge Planning Grant Program fosters reform and reduces barriers to achieving affordable, economically vital, and sustainable communities. Such efforts may include amending or replacing local master plans, zoning codes, and building codes, either on a jurisdiction-wide basis or in a specific neighborhood, district, corridor, or sector to promote mixed-use development, affordable housing, the reuse of older buildings and structures for new purposes, and similar activities with the goal of promoting sustainability at the local or neighborhood level. This Program also

supports the development of affordable housing through the development and adoption of inclusionary zoning ordinances and other activities to support plan implementation.

The FY 2011 awards announced in this Notice were selected for funding in a competition posted on Grants.gov and HUD's Web site on July 27, 2011. Applications were scored and selected for funding based on the selection criteria in that NOFA. The amount

appropriated in FY 2011 to fund the Challenge Grant Program was \$30 million of which \$1 million had been reserved for capacity support grants distributed separately. This notice announces the allocation of \$28 million for Community Challenge Planning Grants, of which not less than \$3 million is awarded to jurisdictions with populations of less than 50,000.

In accordance with Section 102 (a)(4)(C) of the Department of Housing

and Urban Development Reform Act of 1989 (103 Stat.1987, 42 U.S.C. 3545), the Department is publishing the names, addresses, and amounts of the 27 awards made under the competition in Appendix A to this document.
