

enhanced opportunity for program evaluation and lead to better information for customers and stakeholders of the workforce system. In addition, these systems must connect with the U.S. Department of Education's (ED) Statewide Longitudinal Data Systems (SLDS) databases. Where such longitudinal systems do not exist or are incipient, WDQI grant assistance may be used to design and develop workforce data systems that are longitudinal and which are designed to link with relevant education data or longitudinal education data systems. WDQI grant assistance may also be used to improve upon and more effectively use existing State longitudinal systems.

The complete SGA and any subsequent SGA amendments, in connection with this solicitation are described in further detail on ETA's Web site at <http://www.doleta.gov/grants/> or on <http://www.grants.gov>. The Web sites provide application information, eligibility requirements, review and selection procedures and other program requirements governing this solicitation.
