

slow the progress of the beetle epidemic. If an action alternative is selected, the Supervisor will decide where treatments may occur, and what actions are appropriate and may be taken. The Supervisor will also decide whether to amend the Forest Plan as part of the decision, and if so, the nature of that amendment. Finally, the decision will include the scope of monitoring that should occur.

**Scoping Process**

The original notice of intent initiated the scoping process, which guides the development of the environmental impact statement. The Forest Service sought to involve interested parties in identifying issues related to responding to and managing the ongoing insect outbreak. Public comment has helped the planning team identify key issues and opportunities to develop appropriate responses and alternatives, and monitoring strategies, and to evaluate the effects of the proposal.

Three public meetings were held at the scoping stage of project analysis, on August 23, 2011, in Sundance, Wyoming, at the Crook County Courthouse; August 25 in Hill City, South Dakota, at the high school; and August 30 in Spearfish, SD, at the Holiday Inn. In addition, three public

meetings will be held during the comment period on the DEIS.

The Forest Service recognizes the broad public interest in the communities and counties lying in or adjacent to the Black Hills, as well as the States of South Dakota and Wyoming. The initial mailing list for this project includes counties and municipalities lying wholly or partially within the Forest boundary.

It is important that reviewers provide their comments at such times and in such manner that they are useful to the agency's preparation of the environmental impact statement. Therefore, comments should be provided prior to the close of the comment period and should clearly articulate the reviewer's concerns and contentions.

Comments received in response to this solicitation, including names and addresses of those who comment, will be part of the public record for this proposed action. Comments submitted anonymously will be accepted and considered, however.

Dated: February 15, 2012.

Deputy Forest Supervisor, Black Hills National Forest.

Pursuant to Section 766.24 of the Export Administration Regulations, 15 CFR Parts 730-774 (2011) ("EAR" or the "Regulations"), I hereby grant the request of the Office of Export Enforcement ("OEE") to renew the August 24, 2011 Order Temporarily Denying the Export Privileges of Mahan

Airways, Zarand Aviation, Gatewick LLC, Pejman Mahmood Kosarayanifard, Mahmoud Amini, Kerman Aviation, Sirjanco Trading LLC, and Ali Eslamian, as I find that renewal of the Temporary Denial Order ("TDO") is necessary in the public interest to prevent an imminent violation of the EAR.<sup>1</sup>

**I. Procedural History**

On March 17, 2008, Darryl W. Jackson, the then-Assistant Secretary of Commerce for Export Enforcement ("Assistant Secretary"), signed a TDO denying Mahan Airways' export privileges for a period of 180 days on the grounds that its issuance was necessary in the public interest to prevent an imminent violation of the Regulations. The TDO also named as denied persons Blue Airways, of Yerevan, Armenia ("Blue Airways of Armenia"), as well as the "Balli Group Respondents," namely, Balli Group PLC, Balli Aviation, Balli Holdings, Vahid Alaghband, Hassan Alaghband, Blue Sky One Ltd., Blue Sky Two Ltd., Blue Sky Three Ltd., Blue Sky Four Ltd., Blue Sky Five Ltd., and Blue Sky Six Ltd., all of the United Kingdom. The TDO was issued *ex parte* pursuant to Section 766.24(a), and went into effect on March 21, 2008, the date it was published in the **Federal Register**.

The TDO subsequently has been renewed in accordance with Section 766.24(d), including most recently on August 24, 2011, with modifications and the additions of related persons having been made to the TDO during 2010 and 2011.<sup>2</sup> As of March 9, 2010, the Balli Group Respondents and Blue Airways were no longer subject to the TDO. As part of the February 25, 2011 TDO renewal, Gatewick LLC, Mahmoud Amini, and Pejman Mahmood Kosarayanifard ("Kosarian Fard") were added as related persons in accordance with Section 766.23 of the Regulations. On July 1, 2011, the TDO was modified by adding Zarand Aviation as a respondent in order to prevent an imminent violation. Specifically, Zarand Aviation owned an Airbus A310, an aircraft subject to the Regulations, that was being operated for the benefit of Mahan Airways in violation of both the TDO and the

<sup>1</sup> The August 24, 2011 Order was published in the **Federal Register** on August 31, 2011. See 76 FR 54198.

<sup>2</sup> The TDO was renewed on September 17, 2008, March 16, 2009, September 11, 2009, March 9, 2010, September 3, 2010, February 24, 2011, and August 24, 2011. The August 24, 2011 renewal followed the modification of the TDO on July 1, 2011, which, as discussed above, added Zarand Aviation as a respondent. Each renewal or modification order was published in the **Federal Register**.
