The applicable maximum rate of the SL/ST rate range continues to be $179,700 (level II of the Executive Schedule) for SL or ST employees covered by a certified SL/ST performance appraisal system and $165,300 (level III of the Executive Schedule) for SL or ST employees covered by an SL/ST performance appraisal system that has not been certified. Agencies with certified performance appraisal systems in 2012 for SES members and employees in SL and ST positions also must apply a higher aggregate limitation on pay—up to the Vice President’s salary ($230,700 in 2012, the same level as in 2010/2011).

Executive Order 13594 provides that the rates of basic pay for administrative law judges (ALJs) under 5 U.S.C. 5372 are not increased in 2012. The rate of basic pay for AL–1 remains at $155,500 (equivalent to the rate for level IV of the Executive Schedule). The rate of basic pay for AL–2 remains at $151,800. The rates of basic pay for AL–3/4 through 3/ F continue to range from $103,900 to $143,700.

The rates of basic pay for members of Contract Appeals Boards are calculated as a percentage of the rate for level IV of the Executive Schedule. (See 5 U.S.C. 5372a.) Therefore, these rates of basic pay are not increased in 2012.

On October 28, 2011, the Director of OPM issued a memorandum on behalf of the President’s Pay Agent (the Secretary of Labor and the Directors of the Office of Management and Budget (OMB) and OPM) that continues GS locality payments for ALJs and certain other non-GS employee categories in 2012. By law, officials paid under the Executive Schedule, SES members, employees in SL/ST positions, and employees in certain other equivalent pay systems are not authorized to receive locality payments. (Note: An exception applies to certain grandfathered SES, SL, and ST employees stationed in a nonforeign area on January 2, 2010.) Except for employees in nonforeign areas, the locality payments continued for non-GS employees have not been increased in 2012. The memo is available at http://www.opm.gov/flsa/oca/11tables/Extend_2012.pdf.

On December 21, 2011, OPM issued a memorandum (CPM 2011–21) on the Executive order for the 2012 pay schedules. (See http://www.opm.gov/oca/compmem/index.asp.) The memorandum transmitted Executive Order 13594 and provided the 2012 salary, locality pay areas and percentages, and information on general pay administration matters and other related information. The “2012 Salary Tables” posted on OPM’s Web site at www.opm.gov/oca/12tables/index.asp are the official rates of pay for affected employees and are hereby incorporated as part of this notice.

RAILROAD RETIREMENT BOARD

Agency Forms Submitted for OMB Review, Request for Comments

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Railroad Retirement Board (RRB) is forwarding an Information Collection Request (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB). Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collection of information to determine (1) the practical utility of the collection; (2) the accuracy of the estimated burden of the collection; (3) ways to enhance the quality, utility, and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Comments to the RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of your comments, it is best if the RRB and OIRA receive them within 30 days of the publication date.

Under Section 2 of the Railroad Retirement Act, an annuity is not payable or is reduced for any month in which the annuitant works for a railroad
or earns more than prescribed dollar amounts from either non-railroad employment or self-employment. Certain types of work may indicate an annuitant’s recovery from disability. The provisions relating to the reduction or non-payment of an annuity by reason of work, and an annuitant’s recovery from disability for work, are prescribed in 20 CFR 220.17–220.20. The RRB conducts continuing disability reviews (CDR) to determine whether an annuitant continues to meet the disability requirements of the law. Provisions relating to when and how often the RRB conducts CDRs are prescribed in 20 CFR 220.186.

Form G–254, Continuing Disability Report, is used by the RRB to develop information for a CDR determination, including a determination prompted by a report of work, return to railroad service, allegation of medical improvement, or a routine disability review call-up. Form G–254a, Continuing Disability Update Report, is used to help identify a disability annuitant whose work activity and/or recent medical history warrants completion of Form G–254 for a more extensive review.

Completion is required to retain a benefit. One response is requested of each respondent to Forms G–254 and G–254a.

**Previous Requests for Comments:** The RRB has already published the initial 60-day notice (76 FR 80988 on December 27, 2011) required by 44 U.S.C. 3506(c)(2)(A). That request elicited no comments.

**Information Collection Request (ICR)**

**Title:** Continuing Disability Report.

**Affected public:** Individuals or Households.

**Abstract:** Under the Railroad Retirement Act, a disability annuity can be reduced or not paid, depending on the amount of earnings and type of work performed. The collection obtains information about a disabled annuitant’s employment and earnings.

**Changes proposed:** The RRB proposes non-burden impacting editorial and formatting changes to Form G–254 and revision of Form G–254a to include a request for the applicant’s daytime telephone number to resolve any ambiguous issues.

**The burden estimate for the ICR is as follows:**

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (the “Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval. Open-end management investment companies (“funds”) are required to submit to the Commission information included in their registration statements, or information included in or amended by post-effective amendments thereto, in response to items 2, 3, and 4 (“risk/return summary information”) of Form N–1A (17 CFR 239.15A and 274.11A) in interactive data format and to post it on their Web sites, if any, in interactive data form. In addition, funds are required to submit an interactive data file to the Commission for any form of prospectus filed pursuant to rule 497(c) or (e) (17 CFR 230.497) under the Securities Act of 1933 (15 U.S.C. 77a et seq.) that includes risk/return summary information that varies from the registration statement and to update that registration statement, if any.

The title for the collection of information for submitting risk/return summary information as interactive data in additional filings submitted pursuant to rule 485(b) (17 CFR 230.485(b)) or rule 497 under the Securities Act annually.

The Commission estimates that the total annual hour burden associated with tagging risk/return summary information is approximately 11 hours. Based on estimates of 9,800 funds each submitting one interactive data document as an exhibit to a registration...
