**Certain Pasta From Turkey: Extension of Time Limit for the Preliminary Results of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**FOR FURTHER INFORMATION CONTACT:**

Stephanie Moore, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave. NW., Washington, DC 20230; telephone: (202) 482-3692.

**Background**

On August 26, 2011, the Department of Commerce ("Department") published a notice of initiation of the administrative review of the antidumping duty order on certain pasta from Turkey, covering the period July 1, 2010, through June 30, 2011. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 76 FR 53404 (August 26, 2011). The preliminary results of review are currently due April 1, 2012.

**Extension of Time Limit of Preliminary Results**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires that the Department make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested. Section 751(a)(3)(A) of the Act further states that, if it is not practicable to complete the review within the time period specified, the administering authority may extend the 245-day period to issue its preliminary results to up to 365 days.

We determine that completion of the preliminary results of this review within the 245-day period is not practicable as the Department needs additional time to analyze complex issues regarding affiliation and knowledge of U.S. destination. Given the complexity of these issues, and in accordance with section 751(a)(3)(A) of the Act, we are extending the time period for issuing the preliminary results of this review by

120 days. Therefore, the preliminary results are now due no later than July 30, 2012. The final results continue to be due 120 days after publication of the preliminary results.

This notice is published pursuant to sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: February 17, 2012.

#### **Fresh Garlic From the People's Republic of China: Partial Final Results and Partial Final Rescission of the 2009-2010 Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** On October 20, 2011, the Department of Commerce (Department) published the partial preliminary results of the administrative review of the antidumping duty order on fresh garlic from the People's Republic of China (PRC) covering the period of review (POR) of November 1, 2009, through October 31, 2010. The Department is issuing these partial final results for the PRC-wide entity only.

Based on the analysis of the record and the comments received, the Department finds that seven companies subject to this review, including mandatory respondents, Shandong Longtai Fruits and Vegetables Co., Ltd. (Longtai) and Weifang Hongqiao International Logistic Co., Ltd. (Hongqiao), did not demonstrate their eligibility for separate rate status and, thus, will be considered part of the PRC-wide entity for purposes of these final results. These companies are listed in Appendix I. The Department is also rescinding the review with respect to 14 exporters who had "no shipments" during the POR. A list of these companies is found in Appendix II.

**DATES:** *Effective Date:* February 27, 2012.

**FOR FURTHER INFORMATION CONTACT:** Lingjun Wang, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-2316.
