The National Aeronautics and Space Administration (NASA) collects this information electronically and that is the preferred manner, however information may also be collected via mail or fax.

I. Abstract

The NASA Contractor Financial Management Reporting System is the basic financial medium for contractor reporting of estimated and incurred costs, providing essential data for projecting costs and hours to ensure that contractor performance is realistically planned and supported by dollar and labor resources. The data provided by these reports is an integral part of the Agency’s accrual accounting and cost based budgeting system.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval of this information collection. They will also become a matter of public record.

II. Method of Collection

NASA collects this information electronically and that is the preferred manner, however information may also be collected via mail or fax.
