BILLING CODE 6450-01-P

DEPARTMENT OF ENERGY

Office of Energy Efficiency and Renewable Energy

[Case No. CAC-040]

Decision and Order Amending a Waiver Granted to Fujitsu General America, Inc. From the Department of Energy Commercial Package Air Conditioner and Heat Pump Test Procedures

AGENCY: Office of Energy Efficiency and Renewable Energy, Department of Energy.

ACTION: Decision and Order.

SUMMARY: This notice publishes the U.S. Department of Energy's (DOE) Decision and Order in Case No. CAC-040, which amends the current waiver applicable to Fujitsu's Airstage V-II products to require the use of Air-conditioning,

Heating and Refrigeration Institute 1230 (AHRI) as the alternative test procedure.

DATES: This Decision and Order is effective March 5, 2012.

FOR FURTHER INFORMATION CONTACT: Mr. Bryan Berringer, U.S. Department of Energy, Building Technologies Program, Mailstop EE-2J, 1000 Independence Avenue SW., Washington, DC 20585-0121. Telephone: (202) 586-0371. Email: Bryan.Berringer@ee.doe.gov.

Ms. Jennifer Tiedeman, U.S. Department of Energy, Office of the General Counsel, Mail Stop GC-71, Forrestal Building, 1000 Independence Avenue SW., Washington, DC 20585-0103. Telephone: (202) 287-6111. Email: Jennifer.Tiedemanmailto:@hq.doe.gov.

SUPPLEMENTARY INFORMATION: DOE issues notice of this Decision and Order in accordance with Title 10 of the Code of Federal Regulations (10 CFR) 431.401(f)(4). In this Decision and Order, DOE amends the current waiver applicable to Fujitsu's Airstage V-II equipment to require the use of AHRI 1230 as the alternative test procedure. Amendment is appropriate in this specific circumstance because DOE has recently issued waivers to other manufacturers using AHRI 1230 as the alternate test procedure for the same types of equipment, and AHRI 1230 is very similar to the alternate test procedure previously prescribed to Fujitsu, but will provide a more conservative estimate of the energy consumed by this equipment. The waiver requires Fujitsu to use AHRI 1230 to test and rate specified models from its Airstage V-II multi-split equipment line.

Today's decision requires Fujitsu to make representations concerning the energy efficiency of this equipment consistent with the provisions and restrictions of the alternate test procedure in the Decision and Order below, and the representations must fairly disclose the test results. (42 U.S.C. 6314(d)) The same standard applies to distributors, retailers, and private labelers when making representations of the energy efficiency of this equipment. *Id.*

Issued in Washington, DC, on February 28, 2012.

Kathleen B. Hogan,

Deputy Assistant Secretary for Energy Efficiency, Energy Efficiency and Renewable Energy.

Decision and Order

In the Matter of: Fujitsu General America, Inc. (Fujitsu) (Case No. CAC-040).
