Use of on-line applications in the private sector also is fairly standard—such as applications to academic institutions; for car loans; for mortgage application and refinancing; for employment, and the like. Fully automating the FAA airman medical certification application process will improve efficiency, lead to reduced errors with applicant data, allow for more seamless processing, and save considerable resources by eliminating the recurrent cycle of printing, distributing, reprinting, and redistributing paper forms.

## SOCIAL SECURITY ADMINISTRATION

### 20 CFR Parts 404 and 416

[Docket No. SSA-2011-0094]

#### Requiring Electronic Filing of Select Appeals by Certain Claimant Representatives

**AGENCY:** Social Security Administration.

**ACTION:** Revised notification of implementation of requirement.

**SUMMARY:** We are revising the Notification of implementation of requirement we published on January 31, 2012 (77 FR 4653). We are clarifying the requirement that appointed representatives file certain appeals using our electronic systems in matters for which the representatives request direct fee payment. Specifically, we are clarifying that the electronic filing requirement includes both the submission of the forms we require to file the appeal request and the Disability Report—Appeal. This is the first service required under the regulation we published on September 12, 2011 (76 FR 56107), Requiring Use of Electronic Services.

**DATES:** The effective date of this revised notification of implementation of requirement is March 16, 2012.

#### SUPPLEMENTARY INFORMATION:

##### Requiring Electronic Filing of Appeals

On September 12, 2011, we published final rules that require representatives to conduct business with us electronically at the times and in the manner we prescribe on matters for which the representative requests direct fee payment. At the time, we did not require representatives to use any specific electronic service. Rather, in the preamble to the final rule (76 FR 56107), we stated that, “Once we determine that we should make a particular electronic service publicly available because it works well, we will publish a notice in the **Federal Register**. The notice will contain the new requirement(s) and a list of all established electronic service requirements.” We also said in the preamble that we would adjust the burden for affected Office of Management and Budget (OMB) approved collections before requiring representatives to use the collections’ electronic versions. We published notices on December 1, 2011 (76 FR 74838) and January 31, 2012 (77 FR 4857) concerning the burden adjustment for the affected electronic services under OMB No. 0960-0144, Disability Report—Appeal, OMB No. 0960-0269 (Request for Hearing by Administrative Law Judge), and OMB No. 0960-0622, Request for Reconsideration.

On January 31, 2012, we published a notification of implementation of requirement in the **Federal Register** providing information about the first required electronic service under the final rules that we published in September 2011. We are now clarifying that requirement.

As of March 16, 2012, we will begin mandating electronic filing of certain appeals in each matter in which a representative requests direct payment of the authorized fee. This electronic filing requirement includes the filing of a request for reconsideration or for a hearing by an administrative law judge for disability claims under title II of the Social Security Act (Act) or Supplemental Security Income claims based on disability or blindness under title XVI of the Act denied for medical reasons. To satisfy this electronic filing requirement, the representative must submit both the request for reconsideration or hearing and the electronic Disability Report—Appeal,

using our Internet Appeals web portal found at [www.socialsecurity.gov](http://www.socialsecurity.gov). The Internet Appeals web process utilizes electronic versions of OMB’s approved information collection instruments: the Request for Reconsideration (OMB No. 0960-0622), the Request for Hearing by Administrative Law Judge (OMB No. 0960-0269), and the Disability Report—Appeal (OMB No. 0960-0144).

A representative has an affirmative duty to comply with this requirement. We may investigate to determine if a representative purposefully violated this duty or is attempting to circumvent our rules. We may sanction a representative who does not follow these rules. However, we will not reject or delay a claimant’s request or process it differently if a representative fails to comply with this electronic filing requirement.

Claimants, whether they are represented or not, and representatives who are not eligible for or who do not request direct fee payment on a matter, may continue to file all appeal requests either electronically, on paper, or in any manner we prescribe.
