

Federal Register on July 8, 2011, and the BLM along with Imperial County held two public meetings on the Draft EIS/EIR on August 24, 2011, in El Centro, and on August 25, 2011, in Ocotillo.

Comments on the Draft PA and EIS/EIR received from the public and internal BLM review were considered and incorporated as appropriate into the Proposed PA and Final EIS/EIR. Public comments resulted in the addition of clarifying text and modification of the preferred alternative but did not significantly change the analysis.

Instructions for filing a protest with the Director of the BLM regarding the Proposed PA may be found in the "Dear Reader" letter of the Proposed PA and Final EIS/EIR and at 43 CFR 1610.5-2. Emailed and faxed protests will not be accepted as valid protests unless the protesting party also provides the original letter by either regular or overnight mail postmarked by the close of the protest period. Under these conditions, the BLM will consider the email or faxed protest as an advance copy and it will receive full consideration. If you wish to provide the BLM with such advance notification, please direct faxed protests to the attention of the BLM protest coordinator at (202) 912-7212, and emails to Brenda_Hudgens-Williams@blm.gov.

All protests, including the follow-up letter to emails or faxes, must be in writing and mailed to the appropriate address, as set forth in the **ADDRESSES** section above.

Before including your phone number, email address, or other personal identifying information in your protest, you should be aware that your entire protest—including your personal identifying information—may be made publicly available at any time. While you can ask us in your protest to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
