

administrative review of the antidumping duty order on certain hot-rolled carbon steel flat products from Taiwan covering the period November 1, 2010, through October 31, 2011. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 76 FR 82268 (December 30, 2011). The review covers five companies: Chain Chon Industrial Co., Ltd.; Kao Hsing Chang Iron & Steel Corp.; Kao Hsiung Chang Iron & Steel Corp.; Shang Chen Steel Co., Ltd.; and Yieh Phui Enterprise Co., Ltd. Nucor Corporation requested a review of all five of those companies, and U.S. Steel Corporation requested a review of three of those companies. No other party requested a review.

On February 14, 2012, Nucor Corporation withdrew its request for an administrative review of the five companies. On February 16, 2012, U.S. Steel Corporation withdrew its request for an administrative review of the three companies for which it had requested a review.

#### Rescission of Review

Pursuant to 19 CFR 351.213(d)(1) of the Department's regulations, the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the publication of the notice of initiation of the requested review, or withdraws at a later date if the Department exercises its discretion to extend the time limit for withdrawing the request. Both Nucor Corporation and U.S. Steel Corporation withdrew their requests within the 90-day deadline. Therefore, we are rescinding the review with respect to all companies.

#### Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

#### Notifications

This notice serves as a final reminder to importers for whom this review is being rescinded of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to

liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: March 5, 2012.

**Christian Marsh,**

*Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.*

#### Polyvinyl Alcohol From Taiwan: Correction to Notice of Opportunity To Request Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

#### FOR FURTHER INFORMATION CONTACT:

Dustin Ross, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0747.

**SUPPLEMENTARY INFORMATION:** On March 1, 2012, the Department of Commerce (the Department) published its opportunity to request administrative review of the antidumping duty order on polyvinyl alcohol from Taiwan. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 77 FR 12559 (March 1, 2012). Subsequent to this publication, we identified an inadvertent error. Specifically, the

period of review was incorrect. The correct period of review is 09/13/2010–02/29/2012 rather than 09/13/2011–02/29/2012. This notice serves as a correction.

Dated: March 2, 2012.

### International Trade Administration

**[C-570-982]**

#### Utility Scale Wind Towers From the People's Republic of China: Notice of Postponement of Preliminary Determination in the Countervailing Duty Investigation

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* March 9, 2012.

#### FOR FURTHER INFORMATION CONTACT:

Kristen Johnson or Patricia Tran, AD/CVD Operations, Office 3, Import Administration, U.S. Department of Commerce, Room 4014, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: 202-482-4793 and 202-482-1503, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

On January 18, 2012, the Department of Commerce (the Department) initiated the countervailing duty investigation of utility scale wind towers from the People's Republic of China. *See Utility Scale Wind Towers From the People's Republic of China: Initiation of Countervailing Duty Investigation*, 77 FR 3447 (January 24, 2012). Currently, the preliminary determination is due no later than March 23, 2012.

#### Postponement of Due Date for Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the preliminary determination in a countervailing duty investigation within 65 days after the date on which the Department initiated the investigation. However, if the Department concludes that the parties concerned in the investigation are cooperating and determines that the investigation is extraordinarily complicated, section 703(c)(1)(B) of the Act allows the Department to postpone making the preliminary determination until no later than 130 days after the

date on which the administering authority initiated the investigation.

The Department has determined that the parties involved in the proceeding are cooperating and that the investigation is extraordinarily complicated. See section 703(c)(1)(B) of the Act. Specifically, the Department is currently investigating alleged subsidy programs involving loans, grants, income tax incentives, and the provision of goods or services for less than adequate remuneration. Due to the number and complexity of the alleged countervailable subsidy practices being investigated, it is not practicable to complete the preliminary determination of this investigation within the original time limit (i.e., by March 23, 2012). Therefore, in accordance with section 703(c)(1)(B) of the Act, we are fully extending the due date for the preliminary determination to no later than 130 days after the day on which the investigation was initiated. However, as that date falls on a Sunday (i.e., May 27, 2012) and is followed by a federal holiday on Monday, May 28, 2012, the deadline for completion of the preliminary determination is now Tuesday, May 29, 2012, the next business day.

This notice is issued and published pursuant to section 703(c)(2) of the Act.

Dated: March 2, 2012.

**Ronald K. Lorentzen,**  
Acting Assistant Secretary for Import Administration.

### National Institute of Standards and Technology

#### Announcement of the American Petroleum Institute's Standards Activities

**AGENCY:** National Institute of Standards and Technology, Commerce.

**ACTION:** Notice.

**SUMMARY:** The American Petroleum Institute (API), with the assistance of other interested parties, continues to develop standards in several areas. This notice lists the standardization efforts currently being conducted by API committees. The publication of this notice by the National Institute of Standards and Technology (NIST) on behalf of API is being undertaken as a public service. NIST does not necessarily endorse, approve, or recommend the standards referenced.

**DATES:** Dates of conferences and meetings are provided in the **SUPPLEMENTARY INFORMATION** section below.

**ADDRESSES:** American Petroleum Institute, 1220 L Street NW., Washington, DC 20005; telephone (202) 682-8000, <http://www.api.org>.

**FOR FURTHER INFORMATION CONTACT:** All contact individuals listed in the **SUPPLEMENTARY INFORMATION** section of this notice may be reached at the American Petroleum Institute.

#### SUPPLEMENTARY INFORMATION:

##### Background

The American Petroleum Institute develops and publishes voluntary standards for equipment, materials, operations, and processes for the petroleum and natural gas industry. These standards are used by both private industry and by governmental agencies. All interested persons should contact the appropriate source as listed for further information.
