**RR Donnelley, Inc., Including On-Site Leased Workers From Manpower and Kelly Services, Bloomsburg, PA; Notice of Affirmative Determination Regarding Application for Reconsideration**

By application dated February 25, 2012, the petitioners requested administrative reconsideration of the negative determination regarding workers' eligibility to apply for Trade Adjustment Assistance (TAA) applicable to workers and former workers of RR Donnelley, Inc., including on-site leased workers from Manpower and Kelly Services, Bloomsburg, Pennsylvania (subject firm). The Department's Notice of determination was issued on February 3, 2012 and published in the **Federal Register** on February 21, 2012 (77 FR 9973).

The workers engage in activities related to the production of hard and soft cover books. The initial determination was based on the findings that worker separations were not attributable to increased imports by the subject firm or its declining customers of articles like or directly competitive with hard and soft cover books or a shift to/acquisition from a foreign country by the workers' firm in the production of articles like or directly competitive with hard and soft cover books.

In the request for reconsideration, the petitioners supplied new information regarding the subject firm's operations overseas and possible import competition.

The Department of Labor has carefully reviewed the request for reconsideration and the existing record, and has determined that the Department will conduct further investigation to determine if the workers meet the eligibility requirements to apply for TAA.

### Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the U.S. Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 1st day of March, 2012.

**Plumchoice, Inc., Including On-Site Leased Workers From Balance Staffing, Insight Global Staffing, and Technisource, Scarborough, ME; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on February 3, 2012, applicable to workers of PlumChoice, Inc., including on-site leased workers from Balance Staffing, Insight Global Staffing, and Technisource, Scarborough, Maine. The workers are engaged in activities related to sales and technical support services. The notice was published in the **Federal Register** on February 21, 2012 (76 FR 9971).

At the request of the Maine State agency, the Department reviewed the certification for workers of the subject firm. New information from the company shows that workers leased from Technisource were employed on-site at the Scarborough, Maine location of PlumChoice, Inc. The Department has determined that these workers were sufficiently under the control of

PlumChoice, Inc. to be considered leased workers.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by increased customer imports of sales and technical support services.

Based on these findings, the Department is amending this certification to include workers leased from Technisource working on-site at the Scarborough, Maine location of the subject firm.

The amended notice applicable to TA-W-81,114 is hereby issued as follows:

"All workers from PlumChoice, Inc., including on-site leased workers from Balance Staffing, Insight Global Staffing, and Technisource, Scarborough, Maine, who became totally or partially separated from employment on or after February 13, 2010, through February 3, 2014, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1074, as amended."

Signed at Washington, DC this 28th day of February 2012.
