

issue the preliminary determination. For the forgoing reasons, the Department determines that this investigation in extraordinarily complicated within the meaning of section 733(c)(1)(B)(i) of the Act and that a full extension of the preliminary determination is necessary.

Accordingly, in accordance with section 733(c)(1) of the Act, we are fully extending the due date for the preliminary determination to no later than 190 days after the day on which the investigation was initiated. Thus the new deadline for issuing the preliminary determination is May 16, 2012.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: March 6, 2012.

Paul Piquado,

Assistant Secretary for Import Administration.

Diamond Sawblades and Parts Thereof From the People's Republic of China: Extension of Time Limit for Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* March 13, 2012.

FOR FURTHER INFORMATION CONTACT: Jerrold Freeman, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0180.

SUPPLEMENTARY INFORMATION:

Background

On December 6, 2011, the Department of Commerce (the Department) published in the **Federal Register** the *Preliminary Results* of the first administrative review covering the antidumping duty order on diamond sawblades and parts thereof from the People's Republic of China for the period January 23, 2009, through October 31, 2010.¹ Subsequent to the

publication of the *Preliminary Results*, the Department extended the deadlines for submission of post-preliminary surrogate values, rebuttal comments and case briefs.² The final results of the review are currently due no later than April 4, 2012.

Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the final results of an administrative review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to a maximum of 180 days after the date on which the preliminary results are published.

We determine that it is not practicable to complete the final results of this review within the original time limit because of the complexity of issues involving the analysis of surrogate value data on the record and because of the additional extensions we have granted, at the request of various parties, to review and submit post-preliminary surrogate value data, case briefs and rebuttal comments. Therefore, we are extending the time period for issuing the final results of this review by 40 days until May 14, 2012.

This notice is published in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: March 7, 2012.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Purified Carboxymethylcellulose From Finland and the Netherlands: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* March 13, 2012.

FOR FURTHER INFORMATION CONTACT:

Robert James or Angelica Mendoza, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0649 or (202) 482-3019, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 26, 2011, the Department of Commerce (the Department) published in the **Federal Register** the initiation of administrative review of the antidumping duty orders on, *inter alia*, purified carboxymethylcellulose from Finland and the Netherlands covering the period July 1, 2010, through June 30, 2011. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 76 FR 53404 (August 26, 2011). The current deadline for the preliminary results of these reviews is April 1, 2012.

Extension of Time Limits for Preliminary Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires that the Department complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month of an order for which a review is requested.

The Department finds it is not practicable to complete the preliminary results of these reviews within the original time frame because the Department requires additional time to gather and analyze the information submitted on the record. Thus, the Department finds it is not practicable to complete these reviews within the original time limit (*i.e.*, April 1, 2012). Accordingly, the Department is extending the time limit for completion of the preliminary results of these administrative reviews by 120 days (*i.e.*, until July 30, 2012), in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2). We intend to issue the final results no later than 120 days after publication of the preliminary results notice.

This extension is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.
