SUPPLEMENTARY INFORMATION:

Title: Special Nutrition Program Operations Study (SNPOS).

OMB Number: 0584-0562.

Expiration Date of Approval: 09/30/2014.

Type of Information Collection Request: Revision of a currently approved collection.

Abstract: The objective of the Special Nutrition Program Operations Study is to collect timely data on policies, administrative, and operational issues on the Child Nutrition Programs. The ultimate goal is to analyze these data and provide input for new legislation on Child Nutrition Programs as well as to provide pertinent technical assistance and training to program implementation staff.

The Special Nutrition Program Operation Study (SNPOS) will help the Food and Nutrition Service (FNS) better understand and address current policy issues related to Special Nutrition Programs (SNP) operations. The policy and operational issues include, but are not limited to, the preparation of the program budget, development and implementation of program policy and regulations, and identification of areas

for technical assistance and training. Specifically, this study will help FNS obtain:

- General descriptive data on the Child Nutrition (CN) program characteristics to help FNS respond to questions about the nutrition programs in schools;

- Data related to program administration for designing and revising program regulations, managing resources, and reporting requirements; and

- Data related to program operations to help FNS develop and provide training and technical assistance for School Food Authorities (SFAs) and State Agencies responsible for administering the CN programs.

The activities to be undertaken subject to this notice include:

- Conducting a multi-modal (e.g. paper, Web, and telephone) survey of approximately 1,500 School Food Authority (SFA) Directors.

- Conducting a paper survey of all 56 State Agency Child Nutrition Directors.

- On-site data collection at 125 School Food Authorities from the School Foodservice Managers.

Affected Public: State, Local and Tribal Governments.

Type of Respondents: 1,500 School Food Authority (SFA) Directors, 125 School Foodservice Managers, and 56 State Child Nutrition Program Directors.

Estimated Total Number of Respondents: 1,681.

Frequency of Response: Once annually.

Estimated Annual Responses: 1,681.

Estimate of Time per Respondent and Annual Burden: Public reporting burden for this collection of information is estimated to average sixty (60) minutes per Self Administered Survey for the SFA Directors and the State Agency Child Nutrition Directors (this includes 30 minutes for data gathering and 30 minutes to respond to the questionnaire). Respondents in the SNOPS include 1,500 School Food Service Directors, 125 School Foodservice Managers involved in the onsite data collection, and 56 State Child Nutrition Program Directors. The annual reporting burden is estimated at 1,681 hours (see table below).

Data collection activity	Respondents	Estimated number of respondents	Frequency of response	Total annual responses	Average burden hours per response	Total annual burden estimate (hours)
