BILLING CODE 6712-01-P

FEDERAL COMMUNICATIONS COMMISSION

Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications
Commission.

ACTION: Notice and request for
comments.

SUMMARY: As part of its continuing effort to reduce paperwork burden and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s). Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and (e) ways to further reduce the information burden for small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid OMB control number.

DATES: Written Paperwork Reduction Act (PRA) comments should be submitted on or before May 14, 2012. If you anticipate that you will be submitting PRA comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the FCC contact listed below as soon as possible.

ADDRESSES: Submit your PRA comments to Nicholas A. Fraser, Office of Management and Budget, via fax at 202-

395-5167 or via Internet at Nicholas_A.Fraser@omb.eop.gov and to Benish Shah, Federal Communications Commission, via the Internet at Benish.Shah@fcc.gov. To submit your PRA comments by email send them to: PRA@fcc.gov.

FOR FURTHER INFORMATION CONTACT:
Benish Shah, Office of Managing
Director, (202) 418-7866.

OMB Approval Number: 3060-0387.
Title: Sections 15.201(d), 15.211,
15.213 and 15.221, On-Site Verification
of Field Disturbance Sensors.

Form No.: N/A.

Type of Review: Extension of a
currently approved collection.

Respondents: Business or other for-
profit.

Number of Respondents: 100
respondents; 100 responses.

Estimated Time Per Response: 18
hours.

Frequency of Response: On occasion
reporting requirement and
recordkeeping requirement.

Obligation to Respond: Required to
obtain or retain benefits. Statutory
authority for this information collection
is contained in 47 U.S.C. Sections 4(i),
301, 302, 303(e), 303(f), 303(r) and
303(s), and 304 and 307 of the
Communications Act of 1934, as
amended.

Total Annual Burden: 1,800 hours.

Total Annual Cost: \$20,000.

Privacy Impact Assessment: N/A.

Nature and Extent of Confidentiality:
Applicants may request that information
be withheld from public inspection
pursuant to 47 CFR 0.457(d) for trade
secrets which may be submitted to the
Commission as part of the
documentation of test results. No other
assurances of confidentiality are
provided to respondents.

Needs and Uses: The Commission
will submit this information collection
to the Office of Management and Budget
(OMB) during this comment period to
obtain the full three-year-clearance from
them. However, we are reporting an
adjustment in the reporting/
recordkeeping burdens to reflect a
decrease in the number of equipments
authorized for this type of equipment,
which reduces the burden hours and
annual costs.

Section 15.201(d) of the Commission
rules permit the operation of field
disturbance sensors in the low VHF
region of the spectrum. In order to
monitor non-licensed field disturbance
sensors operating in the low VHF
television bands, a unique procedure for
on-site equipment testing of the systems
is required to ensure suitable safeguards
for the operation of these devices. Data

are retained by the holder of the
equipment authorized/issued by the
Commission and made available only at
the request of the Commission.

Federal Communications Commission.

Marlene H. Dortch,
Secretary, Office of the Secretary, Office of
Managing Director.
