

Research, Recreational/Commercial Fishing, Recreational Diving, The Mariners' Museum, Youth, the U.S. Navy, Virginia Department of Historic Resources, North Carolina Department of Cultural Resources, North Carolina Department of Environmental and Natural Resources, the National Park Service, and the U.S. Coast Guard. It is the combined expertise and experience of these individuals that creates an advisory council that is a valuable and effective resource for the sanctuary manager.

The council's objectives are to provide the sanctuary manager with advice on: (1) Protecting natural and cultural resources and identifying and evaluating emergent or critical issues involving sanctuary use or resources; (2) identifying and realizing the sanctuary's research objectives; (3) identifying and realizing educational opportunities to increase public knowledge and stewardship of the sanctuary environment; and (4) developing an informed constituency to increase awareness and understanding of the purpose and value of the sanctuary and the National Marine Sanctuary System.

The council may serve as a forum for consultation and deliberation among its members and as a source of advice to the sanctuary manager regarding the management of the Monitor National Marine Sanctuary. The sanctuary advisory council holds open meetings to ensure continued public input on management issues and to increase public awareness and knowledge of the sanctuary environment. Public participation at these meetings is welcomed and encouraged.
