DEPARTMENT OF LABOR
Office of the Secretary

SUMMARY: The Office of Trade and Labor Affairs (OTLA) gives notice that on February 22, 2012, Submission #2011–03 was accepted for review pursuant to Article 16.4.3 of the Dominican Republic–Central America–United States Free Trade Agreement (CAFTA–DR).

The objective of the review of the submission will be to gather information so that OTLA can better understand the allegations therein and publicly report on the U.S. Government’s views regarding whether the GODR’s actions or lack thereof denied workers their rights under the laws of the Dominican Republic relating to freedom of association, the right to organize, child labor, forced labor, the right to bargain collectively, and acceptable conditions of work.

In determining whether to accept the submission, OTLA considered the relevant factors in light of the statements in the submission and its supporting documentation. The submission clearly identifies the submitter, is signed and dated, and upon clarification, was sufficiently specific to determine the nature of the request and permit an appropriate review. It also raises issues relevant to the Labor Chapter of the CAFTA–DR, citing numerous problems in the sugar sector that it believes are in violation of the Dominican Republic’s labor laws. The submission raises pertinent issues that would further the objectives of the Labor Chapter and that could, if substantiated, constitute a failure of the GODR to comply with its obligations under the Labor Chapter. The submitter provided additional information, including a list of articles of the Labor Code, the Constitution of the Dominican Republic, and ILO Conventions that he believes were violated by the allegations in the submission. The submission also notes that the issues in the submission have been raised in international fora, but to date, they have not been remedied. OTLA has not received similar submissions. Accordingly, OTLA has accepted the submission for review.

OTLA’s decision to accept the submission for review is not intended to indicate any determination as to the validity or accuracy of the allegations contained in the submission. The objective of the review of the submission will be to gather information so that OTLA can better understand the allegations therein and publicly report on the issues raised by the submission. OTLA will complete the review and issue a public report within 180 days, unless circumstances, as determined by OTLA, require an extension of time, as set out in the Procedural Guidelines. The public report will include a summary of the review process, as well as any findings and recommendations.
