

USTR–2011–0015. Instructions for submitting business confidential versions are provided below. Hand-delivered submissions will not be accepted. Submissions must be submitted in English to the Chairman of the GSP Subcommittee, Trade Policy Staff Committee, by the deadline set forth in this notice.

All submissions for the GSP Annual Review must conform to the GSP regulations set forth at 15 CFR part 2007, except as modified below. These regulations are available on the USTR Web site at <http://www.ustr.gov/trade-topics/trade-development/preference-programs/generalized-system-preference-gsp/gsp-program-inf>. Any person or party making a submission is strongly advised to review the GSP regulations as well as the GSP Guidebook, which is available at the same link.

To make a submission using www.regulations.gov, enter docket number USTR–2011–0015 in the “Search” field on the home page and click “Search.” The site will provide a search-results page listing all documents associated with this docket. Locate the reference to this notice by selecting “Notice” under “Document Type” in the section on the left hand side of the search-results page, and click on the link entitled “Submit a Comment” on the right-hand side of the page under the heading “Actions.” The www.regulations.gov Web site offers the option of providing comments by filling in a “Type Comment” field or by attaching a document using the “Upload file(s)” field. Given the detailed nature of the information sought by the GSP Subcommittee, it is preferred that submissions be provided in an attached document. When attaching a document, type (1) 2011 GSP Annual Product Review; (2) the product description and related HTS tariff number; (3) “See attached” in the “Type Comment” field on the online submission form, and indicate on the attachment that the document is, “Written Comments”

Submissions should not exceed 30 single-spaced, standard letter-size pages in 12-point type, including attachments. Any data attachments to the submission should be included in the same file as the submission itself, and not as separate files.

Each submitter will receive a submission tracking number upon completion of the submissions procedure at www.regulations.gov. The tracking number will be the submitter’s confirmation that the submission was received into www.regulations.gov. The confirmation should be kept for the submitter’s records. USTR is not able to

provide technical assistance for the web site. Documents not submitted in accordance with these instructions may not be considered in this review. If unable to provide submissions as requested, please contact the GSP Program at USTR to arrange for an alternative method of transmission.

Business Confidential Submissions

A person seeking to request that information contained in a submission from that person be treated as business confidential information must certify that such information is business confidential and would not customarily be released to the public by the submitter. Confidential business information must be clearly designated as such. The submission must be marked “BUSINESS CONFIDENTIAL” at the top and bottom of the cover page and each succeeding page, and the submission should indicate, via brackets, the specific information that is confidential. Additionally, “Business Confidential” must be included in the “Type Comment” field.

A person submitting public and business confidential submissions must submit each of them separately in the appropriate docket at www.regulations.gov: One submission containing the clearly-marked business confidential information, and a separate submission containing the public version of the submission, indicating where confidential information has been redacted.

Public versions of all documents relating to the 2011 Annual Review will be made available for public viewing in docket USTR–2011–0015 at www.regulations.gov upon completion of processing and no later than one week after the due date.
