Background

By a separate rulemaking, the Department of the Treasury's Office of Foreign Assets Control ("OFAC") has amended the Iranian Financial Sanctions Regulations, 31 CFR part 561 (the "IFSR"), and reissued them in their entirety, to incorporate section 1245(d) of the National Defense Authorization Act for Fiscal Year 2012. In the amended IFSR, OFAC defined the term entity owned or controlled by the Government of Iran in a way that differs slightly from the definition of the term in the Iranian Transactions Regulations, 31 CFR part 560 (the "ITR"). To ensure that the term entity owned or controlled by the Government of Iran is defined consistently in these Iran sanctions programs, OFAC also is amending the ITR to more closely conform the definition in section 560.313 of the ITR to the one in section 561.322 of the IFSR. OFAC intends to issue more thorough amendments to the ITR to implement Executive Order 13599 of February 5, 2012 ("Blocking Property of the Government of Iran and Iranian Financial Institutions") ("E.O. 13599"), at a later date. See 77 FR 7660 (Feb. 13, 2012), for a Notice containing additional information on E.O. 13599 and OFAC general and specific licenses set forth in or issued pursuant to the ITR.

Public Participation

Because the ITR involve a foreign affairs function, the provisions of Executive Order 12866 and the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601–612) does not apply.

Paperwork Reduction Act

The collections of information related to the ITR are contained in 31 CFR part 501 (the "Reporting, Procedures and Penalties Regulations"). Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information have been approved by the Office of Management and Budget under control number 1505–0164. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

List of Subjects in 31 CFR Part 560

For the reasons set forth in the preamble, the Department of the Treasury's Office of Foreign Assets Control amends 31 CFR part 560 as follows:
