SUPPLEMENTARY INFORMATION:

Discussion

Entergy submitted an application for renewal of Facility Operating Licenses DPR-26 and DPR-64 for an additional 20 years of operation at IP2 and IP3. Approximately 24 miles north of New York City, IP2 and IP3 are located in Westchester County in the Village of Buchanan, New York.

The current operating licenses for IP2 and IP3 expire on September 28, 2013, and December 12, 2015, respectively. The application for renewal, dated April 23, 2007, was submitted pursuant to Title 10 of the Code of Federal

Regulations (10 CFR) Part 54, which included an environmental report (ER).

On December 3, 2010, the NRC staff issued its final SEIS, documenting its final analysis and recommendation on the proposed action—renewal of the operating licenses for IP2 and IP3. The final SEIS is available in ADAMS under package Accession No. ML103360205.

This document is being published in accordance with the National Environmental Policy Act and the NRC's regulations found at 10 CFR Part 51. The purpose of this document is to inform the public that the NRC will be preparing a supplement to the final SEIS to address information on aquatic impacts in accordance with the NRC's regulations found at 10 CFR 51.92.

Subsequent to the issuance of the final SEIS, the NRC staff identified three types of new information regarding aquatic impacts that necessitate changes to the staff's findings in the final SEIS. The new information consists of (1) entrainment and impingement field data units of measure; (2) a new thermal study that characterizes the thermal plume of cooling water discharges from IP2 and IP3; and (3) new developments concerning the staff's section 7 consultation under the Endangered Species Act of 1973, as amended, with the National Marine Fisheries Service regarding endangered species.

In accordance with 10 CFR 51.53(c) and 10 CFR 54.23, Entergy submitted the ER as part of the application. The ER was prepared pursuant to 10 CFR Part 51 and is available in ADAMS under Accession No. ML071210530. In addition, the ER is available for public inspection at the White Plains Public Library located at 100 Martine Avenue, White Plains, NY 10601; the Hendrick Hudson Free Library located at 185 Kings Ferry Road, Montrose, NY 10548; and the Field Library located at 4 Neslon Avenue, Peekskill, NY 10566.
