

and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements which have subsequently changed; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: Small businesses participating in the joint EPA-GSA Federal Suppliers Greenhouse Gas Emissions Inventory Pilot.

Estimated Number of Respondents: 46.

Frequency of Response: Annually.

Estimated Total Annual Hour Burden: 966.

Estimated Total Annual Cost: \$90,804 in labor costs and no annualized capital or O&M costs.

Changes in the Estimates: There is a decrease of 18,670 hours in the total estimated burden currently identified in the OMB Inventory of Approved ICR Burdens. This decrease reflects EPA's phase down of the Climate Leaders program on September 30, 2011. As a result, the number of respondents to this ICR decreased to include only those 46 small businesses participating in the joint EPA-GSA Federal Supplier Greenhouse Gas Emissions Inventory Pilot.

Title: State Small Business Stationary Source Technical and Environmental Compliance Assistance Programs (SBTCP) Annual Reporting Form (Renewal).

ICR numbers: EPA ICR No. 1748.09, OMB Control No. 2060-0337.

ICR status: This ICR is scheduled to expire on April 30, 2012. Under OMB regulations, the Agency may continue to conduct or sponsor the collection of information while this submission is pending at OMB. An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations in title 40 of the CFR, after appearing in the **Federal Register** when approved, are listed in 40 CFR part 9, are displayed either by publication in the **Federal Register** or by other appropriate means, such as on the related collection instrument or form, if applicable. The display of OMB control numbers in certain EPA regulations is consolidated in 40 CFR part 9.

Abstract: As part of the Clean Air Act Amendments of 1990, the U.S. Congress included, as part of Section 507, the requirement that each state establish a Small Business Stationary Source Technical and Environmental Compliance Assistance Program to assist small businesses in complying with the Act. These programs are generally known as Small Business Environmental Assistance Programs (SBEAPs). EPA must provide the Congress with period reports from the EPA Small Business Ombudsman (SBO) on these programs, including their effectiveness, difficulties encountered, and other relevant information. Each state assistance program will submit requested information to EPA for compilation and summarization. This collection of information is mandatory under Section 507(a), (d), and (e) of the Clean Air Act as amended in 1990, Public Law 101-549, November 15, 1990. This Act directs EPA to monitor the SBTCPs and to provide a report to Congress. This responsibility has been delegated to the EPA SBO. Response to the collection is not required to obtain or retain a benefit. Information in the annual report to Congress is aggregated and is not of a confidential nature. None of the information collected by this

action results in/or requests sensitive information of any nature from the states.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 40 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements which have subsequently changed; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: States.

Estimated Number of Respondents:

53.

Frequency of Response: Annual.

Estimated Total Annual Hour Burden: 2,120.

Estimated Total Annual Cost:

\$104,664, includes \$0 capital or O&M costs.

Changes in the Estimates: There is no change in the total estimated burden currently identified in the OMB Inventory of Approved ICR Burdens.

Title: NSPS for Hot Mix Asphalt Facilities (Renewal).

ICR Numbers: EPA ICR Number 1127.10, OMB Control Number 2060-0083.

ICR Status: This ICR is scheduled to expire on April 30, 2012. Under OMB regulations, the Agency may continue to conduct or sponsor the collection of information, while submission is pending at OMB.

Abstract: The affected entities are subject to the General Provisions of the NSPS at 40 CFR part 60, subpart A, and any changes, or additions to the Provisions specified at 40 CFR part 60, subpart I.

Owners or operators of the affected facilities must submit initial notification, performance tests, and periodic reports and results. Owners or operators are also required to maintain records of the occurrence and duration of any startup, shutdown, or malfunction in the operation of an affected facility, or any period during which the monitoring system is inoperative.

All reports are sent to the delegated state or local authority. In the event that there is no such delegated authority, the reports are sent directly to the EPA regional office. This information is being collected to assure compliance with 40 CFR part 60, subpart I, as authorized in section 112 and 114(a) of the Clean Air Act. The required information consists of emissions data and other information that have been determined to be private.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number. The OMB Control Number for the EPA regulations are listed in 40 CFR part 9 and 48 CFR chapter 15, and are identified on the form and/or instrument, if applicable.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is
