Funding Opportunity Number: SGA/DFA PY–11–12

SUMMARY: Through this notice, the Department of Labor's Employment and Training Administration (ETA), announces the availability of approximately \$12 million in grant funds authorized by the Workforce Investment Act (WIA) to award approximately eight grants to serve adult and youth ex-offenders pre- and post-release. Services to be funded will be targeted to female ex-offenders, but must also be open to eligible male ex-offenders. Applicants may submit only one proposal for up to \$1.5 million, with the amount requested depending on the number of participants to be served. These grants will be selected through a competitive process open to any non-profit organization with IRS 501(c)(3) status, unit of state or local government, or any Indian and Native American entity eligible for grants under WIA Section 166. These grants will cover a 30-month period of performance that includes up to six months of planning and a minimum of 24 months of operations. The 24 month period for operations must include time to allow each participant to complete the program and have between 3–4 months of follow-up. Thus, the last cohort of participants must complete program services 3 to 4 months before the end of the grant. Grantees may provide follow-up services to some participants while providing direct services to others.
