

FTZ 151 was approved by the Board on July 6, 1988 (Board Order 389, 53 FR 27058, 7/18/1988) and expanded on February 10, 1999 (Board Order 1023, 64 FR 8542, 2/22/1999) and April 4, 2004 (Board Order 1332, 69 FR 26067, 5/11/2004).

The current zone project includes the following sites: *Site 1* (820 acres)—Tall Timbers Industrial Center, Intersection of State Route 12 and County Road 95, Findlay; and *Site 3* (373 acres)—Ottawa Industrial Park, Intersection of Williamstown Street and Sugarmill Drive, Ottawa.

The grantee's proposed service area under the ASF would be Hardin, Putnam, Seneca, Allen and Hancock Counties, Ohio, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within and adjacent to the Toledo Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone project to include both of the existing sites as "magnet" sites. The ASF allows for the possible exemption of one magnet site from the "sunset" time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. No usage-driven sites are being requested at this time. Because the ASF only pertains to establishing or reorganizing a general-purpose zone, the application would have no impact on FTZ 151's authorized subzones.

In accordance with the Board's regulations, Elizabeth Whiteman of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is May 25, 2012. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to June 11, 2012.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz. Foreign-Trade Zone 45—Portland, OR Expansion of Manufacturing Authority Epson Portland, Inc. (Inkjet Ink); Notice of Approval of Restricted Authority

On December 22, 2011, the Port of Portland, grantee of Foreign-Trade Zone (FTZ) 45, requested to expand the scope of manufacturing authority approved within Subzone 45F, on behalf of Epson Portland, Inc. (EPI), in Hillsboro, Oregon. The request involved the use of privileged foreign (PF) status (19 CFR 146.41) inputs in manufacturing of ink for inkjet printer cartridges. Notice was given in the **Federal Register** inviting public comment (A(32b)-3-2011, 76 FR 81475-81476, 12/28/2011).

Section 400.32(b)(1) of the FTZ Board's regulations (15 CFR part 400) allows the Assistant Secretary for Import Administration to act for the Board in making decisions on new manufacturing authority when the zone benefits sought do not involve the election of non-privileged foreign status on items involving inverted tariffs. Pursuant to that regulatory provision, on March 8, 2012, the Assistant Secretary for Import Administration approved authority to include the use of certain PF status inputs in the manufacturing of ink for inkjet printer cartridges within Subzone 45F, subject to the FTZ Act (19 U.S.C. 81a-81u) and the Board's regulations, including Section 400.28.

The applicant's request for broader authority, including the manufacturing of inkjet ink involving foreign-sourced inputs that would be admitted to the subzone under nonprivileged foreign (NPF) status (19 CFR 146.42), will continue to be reviewed and processed under FTZ Docket 7-2012 (77 FR 4006, 1/26/2012).

Dated: March 20, 2012.

Executive Secretary.

Statutory Time Limits

In antidumping duty administrative reviews, section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a final determination in an administrative review of an antidumping duty order within 120 days after the day on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the 120-day period to 180 days after publication of the preliminary results.

Extension of Time Limit for Final Results

The Department has determined that it is not practicable to complete the review within the 120-day time period

because it requires additional time to evaluate the surrogate value submissions and arguments made by the interested parties following the *Preliminary Results*. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for completing the final results of the administrative review from 120 days to 180 days. The final results are now due no later than June 4, 2012.

Solid Urea From the Russian Federation: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* March 26, 2012.

FOR FURTHER INFORMATION CONTACT:

Dustin Ross or Minoo Hatten, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0747 or (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

At the request of interested parties, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on solid urea from the Russian Federation for the period July 1, 2010, through June 30, 2011. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 76 FR 53404 (August 26, 2011).

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the preliminary results within 245 days

after the last day of the anniversary month of an order for which a review is requested. If it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month.

We determine that it is not practicable to complete the preliminary results of this review by the current deadline of April 1, 2012, because we require additional time to analyze a detailed response to a supplemental questionnaire that was submitted on March 7, 2012. In addition, the numerous extensions we have granted for filing various responses has contributed to us requiring additional time to complete the preliminary results.

Therefore, we are extending the time period for issuing the preliminary results of this review by 75 days, until June 15, 2012.

This notice is published in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: March 20, 2012.
