Abstract: The National Agricultural Library's Water Quality Information Center (WQIC) currently maintains an on-line announcement-only discussion list. The form includes the following items: This form contains five items and is used to collect information about participants who are interested in joining an electronic discussion group. The form collects data to see if a person is eligible to join the discussion group. The questionnaire asks for the person's name, email address, job title, work affiliation, and topics of interest. The online submission form will continue to serve as an efficient vehicle that allows WQIC staff to communicate with researchers and practitioners working with water quality and water resources.
